INVESTIGATION:

On 4-21-99, at approximately 0600 hours, I responded to the Columbine High School Command Post, where I was assigned the duties as the evidence investigator for this case.

Upon being assigned duties as the evidence investigator, I contacted the JCSO Evidence Vault and requested that they transport the evidence trailer to the crime scene, along with boxes and all packaging materials which would be needed. With the assistance of the Arapahoe County Sheriff's Office, I also made arrangements to have South Metro Fire Department transport their all weather inflatable garage to the crime scene. Once the evidence trailer and portable garage were on scene, the portable garage was set up on the outside of the east entrance of the school and the evidence trailer was backed up to the all weather garage. Evidence tables and evidence packaging stations were then set up inside the evidence garage and boxes were set up inside the evidence trailer by team numbers.

At approximately 0959 hours, I was escorted inside the school building by Criminalist Lab Supervisor Chris Andrist for the purposes of identifying areas within the school building which would be broken down by sections and assigned to teams. I exited the school building at approximately 1047 hours and at that time still and video photography of the crime scene began.

Forensics teams were then assigned to specific areas and I provided each team with a block of numbers which that team would utilize to identify items of evidence they collected. Each team was assigned a representative of the JCSO and it was determined that individual would be responsible for the collection of all items of evidence for their team. At this point crime scene security had been set up at the east entrance of the school and logs were maintained throughout the processing of the crime scene to reflect entry and exit from the scene. (See attached logs for additional information).

At approximately 2233 hours, on 4-21-99, the evidence trailer was secured and locked and I maintained possession of the key to the lock. Items collected by teams 6 and 8, as well as the weapons recovered by Forensics team #2, were transported to the JCSO Criminalistics lab where they were secured. At 2251 hours, on 4-21-99, all bodies had been removed from the crime scene.

The crime scene was secured on 4-21-99, at approximately 2257 hours. I departed the scene at 2302 hours.

On 4-22-99, at approximately 0754 hours, I accessed the crime scene. Due to the inclement weather and the fact that the foyer at the east entrance of the school had already been cleared by Forensics team 5, the decision was made to set up the evidence station inside the foyer of the school, which was accomplished. At approximately 1135 hours, on 4-22-99, I accessed the evidence trailer.

The evidence trailer was secured at approximately 1657 hours on 4-22-99 and I maintained possession of the key to the lock.

The crime scene was secured at approximately 1811 hours and crime scene security was posted at the east entrance.

On 4-23-99, at approximately 0800 hours, I accessed the crime scene, and at approximately 0810 hours, I accessed the evidence trailer.

On 4-23-99, at approximately 1907 hours, I secured the evidence trailer and maintained possession of the key to the lock.

On 4-23-99, at approximately 1942 hours, the crime scene was secured and crime scene security was posted at the east entrance of the crime scene. It should be noted that perimeter security for the building was being provided by Colorado State Patrol personnel. The security for the crime scene entry point on the east side of the building was maintained by JCSO personnel.

On 4-26-99, at approximately 0723 hours, I accessed the crime scene. At approximately 0849 hours, I accessed the evidence trailer. At approximately 1159 hours, on 4-26-99, I provided the keys to the evidence trailer to Sgt. Pat Woodin and departed the scene at approximately 1201 hours.

Sgt. Woodin and Criminalist Vicky Spelman then accepted responsibility for the evidence trailer. Sgt. Woodin secured the evidence trailer at approximately 1800 hours and maintained control of custody of the evidence trailer key.

INVESTIGATION:

On 08-31-99, I was reviewing items of evidence in this case. I saw several packages which contained several different items. In order to facilitate the release of some of these items and the retainment of others, I repackaged some items and assigned them a new evidence number. The following is a list of those items.

ORIGINAL EVIDENCE #	TIME UNSEALED	ORIGINAL EVIDENCE PACKAGE RESEALED	NEWLY ASSIGNED EVIDENCE #	TIME SEALED
425	1313 hours	1316	10342	1317
303	1353	1355 (Item combined with Evidence #318)		
300	1342	1343	10343	1348
35	1411	1414	10345	1415
251	1443	1443	10347	1445

DISPOSITION: Open, pending additional investigation.
