TO BE LIKE
THIS

#1623

The Lord is my she

be in want he make

waters he restores my soul. even though I walk
through the the valley of the shadow of death I
will fear no evil for you are with me your rod and
your staff they comfort me you prepare a ta
ble before me in the presence of my enemies you
anoint my head with oil my cup overflows surely
goodness and mercy will be with me all the day

s of my life and
I will dwell in the
house of the Lord
forever. The Lord
is my shepard I
shall not be in w

#1623

It sounded like a train and
lots of yelling ~~the~~ class was
quiet and 1 boy and three
girls ran into the room the #1623
boy said "I'm going to hide
in here okay" then "Somebody's
shooting outside!" we didn't hear
anything because of all the
people running. Then we got on
the floor and we heard 1 shot.
Mrs. Mosier locked the doors
and said get away from the
windows we all got against the
front wall and then we heard
more shots later lots of faint
shots and then more loud shots
like it was just outside.
At one point I heard a loud
shot and someone yell from
outside.

Now we are sitting in groups
and the girls are crying
on and off we make jokes
Sometimes so we can laugh
but we are all scared

#1623

The shooting has stopped for
about 1:30 mins now but

we all hear noises from
outside we all wonder if

someone we knew got hurt.
we can hear a helicopter

sometimes but now we just
want to leave and go home.

JC-001-015971

It's been about 2 hours

for some it feels like 2 days

for others 2 minutes. For me
I don't really know but I'm
scared. we're calmed a little
but just hope it's all over!!!

right off it was a
dull roar but then it
sounded like hundreds of
rocks hitting the ground

#1623

"The students running"

then lots of yelling louder
than a elephant about

12 sec. later the students

ran into the door and
told us what happened

and then the noise stopped
dead silent and loud

firecrackers "gun fire" it

sounded like it was just
outside

The ground shook from
the gun shot or it was #1023
all the students including me
jumping we can hear every
little sound someone
accidentally kicked a chair
and everybody jumped its
now 1:30pm were been
in here for 2 hours 30 mins.

Monday 7/19

well, I FOUND TWO MORE SHEETS OF PINK PAGES FOR YOU. THIS IS REALLY THE END, THOUGH, SO WE USE BOTH SIDES THIS TIME.

THE LETTER ~~YOU~~ YOU GOT YESTERDAY I MAILED FROM "HAYMARKET STATION". I ASKED PEOPLE IF THIS WAS NEAR THE FAMOUS HAYMARKET, BUT NO ONE AROUND HAD HEARD OF THE HAYMARKET OR THE HAYMARKET RST.

I SIT ALONE... WELL NOT ALONE, BUT APART FROM THE GROUP, IN THE SIGHTSEER LOUNGE. ALL THE KIDS WERE HERE A MINUTE AGO, BUT THEY'VE GONE BACK TO THE SEATS.

OK, HERE COMES SANDY, BACK TO THE SEATS.

WEST OF NAPERVILLE, ILLINOIS, WE REENTER CORN COUNTRY AND ITS GREAT SKY. I LISTEN TO A SEASONED WORLD TRAVELER MIDWESTERN MAN, TALKING IN SLOW PLAIN SPEECH OF SOME MEGADAM IN NEPAL THAT HE RODE BY IN A TRAIN.

JAGGED RIDE. HARD TO WRITE. *

JC-001-016003

TUESDAY MORNING. FINAL HOUR.
WE PASS A DERAILED OIL TRAIN.
GRASS ALL BURNT FOR HUNDREDS OF YARDS
"OH THAT'S NOT NICE" SAY ALL THE PEOPLE
IN THE CAR AS WE WITNESS SMOKING UP TANKS.

"NICE"
EARLIER WE PASSED A BIG "4-WHEELER TRACK" WITH "MAD JUMPS".
PETER AND JEREMY PRETENDED TO DROOL THEN VISCIOUSLY THREW BEAT DOWN PUNCHES INTO THE AIR, SAYING "I WANT YOUR 4-WHEELER TRACK."

WERE IN EASTERN COLORADO. 1 HOUR FROM DENVER.

THE MOUNTAINS TO THE NORTH HAVE SNOW ON THEM. SANDY SAYS THAT'S NEAR
FORT COLLINS. SHE TALKS w/ A MAN FROM UTAH ABOUT FEELING CLAUSTROPHOBIC
IN THE TREES OF THE EAST.

BIG AMERICA.

I suddenly realize why the train is unpopular here, i.e. in America.
BIG AMERICANS CAN'T SLEEP WELL ON IT. EVERYONE TALKS ABOUT HOW
BETTER THEY SLEEP, HOW UNCOMFORTABLE IT IS TO NOT HAVE ONE'S LEGS
OUT, HOW THEY TOSSED AND TURNED, HOW THEY HAD TO WALK AROUND.

BIG AMERICANS DON'T LIKE COACH, AND IT'S MUCH CHEAPER
TO DRIVE AND STAY IN HOTELS THAN BUY A SLEEPER.

WHEN WE GO TO INDIA WE'LL BE ABLE TO HAVE 2ND CLASS SLEEPERS.
IT'S VERY NICE. THE WAY THE TRAIN WORKS IS

JC-001-016004

IN THIS AREA, SIX PEOPLE
GET A SEAT. THIS IS IN 2ND CLASS
w/ RESERVATIONS. THE SEAT
IS JUST A FOAMY BENCH.
BEHIND YOUR BACK IS A FOAMY
BENCH & FOLDED AGAINST THE
WALL. ABOVE YOUR HEAD IS
ANOTHER FOAMY BENCH
THAT EVERYONE USES FOR
LUGGAGE DURING THE DAY.

AMONGST YOURSELVES, THE SIX
OF YOU DECIDE WHO GETS
WHICH BED AND WHEN TO
GO TO BED. IF SOMEONE LOOKS
ESPECIALLY TIRED, THEY'LL BE
ENCOURAGED TO TAKE THE
TOP BUNK/LUGGAGE RACK, AND
FOLKS WILL CLEAR IT OFF AND
CONTINUE SITTING/TALKING/SNOOZING
ON THE BOTTOM BENCH.

#10073

THE MOUNTAINS GET BIGGER AND BIGGER.

WE'RE ALMOST TO DENVER,
BUT ~~IT'S~~ STILL 40 MINUTES AWAY.
THE TRAIN ~~IS~~ ^{WILL INCH} ALONG
THROUGH THE REFINERIES.

ADAM AND ALEX ARRIVE TO TAKE PICTURES OF THE MOUNTAINS AND FIELDS.
I TELL THEM TO SHUT OFF THEIR FLASHES.
OLD CARS AND TRUCKS EVERYWHERE.

ALEX (SASHA I CALL HIM) IS JELLY'S YOUNG COMPANION.
HE HAS BECOME MY ~~APPROX~~ ^{APPROX} ~~NEPHEW~~ ^{NEPHEW} ~~PODGORODIYE~~ (PRIPODORATIL) TOTAL

I ASK HIM THE WORDS FOR DIFFERENT THINGS TRAIN, TREE, SUBURB.
"KAK SKAZAT SUBURBAN SUBDIVISION?"

"#NU. NU. OH!
PODGORODIYE"

THE TRAIN SLOWS DOWN
AS WE PASS ELEVATORS
METAL YARDS.

WE PASS REFINERIES.
PASS THE POWER PLANT.
PASS THE GRAVEYARD.

#10073

CONDUCTOR SAYS 15 MINUTES
WE GO GET THE KIDS READY.

JC-001-016005

AT THE SCHOOL: I TALKED TO YOU ON THE PHONE.

LIBERAL GIRL, SHE'S FROM MOUNT VERNON

NEW YORK. A 10th GRADER. SHE CAN'T WAIT TO GET OUT OF COLORADO.
"THE MIND OF AN EASTERNEER IS REALLY DIFFERENT THAN THE COLORADO
MIND" SHE SAID. "I CAN IMAGINE," I SAID.

SHE'S GOING TO BE ON TV.

SHE'S LEADING THE MEETING HERE ABOUT SCHOOL SHOOTINGS, AND LEADING

The "PEACE ACTIVATION GROUP" GOING TO COLUMBINE HIGH SCHOOL.

"WE MIGHT GET SOME NATIONAL BROADCASTING OUT OF THIS, WHICH IS GREAT. I DID A REPORT ON SCHOOL SHOOTINGS LAST YEAR. I'VE BEEN TRYING TO MAKE PEOPLE AWARE, BUT YOU KNOW, PEOPLE HAVE THIS HABIT OF NOT CARING ABOUT SOMETHING UNTIL IT'S CLOSE TO HOME. NOW IT'S CLOSE TO HOME. LITTLETON IS JUST 5 MILES AWAY, 10 MINUTES. BEFORE PEOPLE HERE WOULD SAY 'THAT'S OREGON'S PROBLEM' OR 'THAT'S THE SOUTH'S PROBLEM' BUT THERE'S LOTS OF KIDS HERE WHO CAN GET TO THEIR PARENTS GUNS. THIS IS OUR PROBLEM. THIS IS AMERICA'S PROBLEM. NOW PEOPLE HERE WOULD HAVE TO GET AWARE. THIS SHOOTING IS NOT JUST COLORADO'S PROBLEM. IT'S NEW YORK'S PROBLEM. IT'S AMERICA'S PROBLEM."

LIBERAL GIRL WAS QUITE IMPRESSIVE. I TOLD HER SHE'D DEFINITELY GET ON NATIONAL TV.

THEN SHE STARTED TALKING REPEATEDLY ABOUT PEOPLE BEING MADE AWARE.

"MADE AWARE OF WHAT EXACTLY?"

"OF SCHOOL SHOOTINGS" AND HERE HER REPUTATION TOOK A POSITIVE

BECAUSE "THERE'S LOTS OF ISSUES INVOLVED..."

BUT IT ALL BOILED DOWN TO

"IF THAT KID'S MOTHER COULD HAVE HUGGED HIM HOME, WE'D HAVE PREVENTED A SHOOTER"

#10073

JC-001-016006

I JUST LISTENED... SHE'S YOUNG. IT'S TRUE, IF THEIR MOTHERS HAD HUGGED THEM MORE, MAYBE THIS WOULDN'T HAPPEN.

bullet-proof
THESE KIDS HAD BODY ARMOR
AND VZI SEMI-AUTOMATIC WEAPONS
AND IT WAS THEIR PARENTS!

We have information about what happened at Columbine High School on April 20, 1999. We have managed to elude you all. We are directly responsible for what has happened. There is no doubt in our minds that you will find out who we are, but it will most definately be too late. We are giving you our first threat: Better not be in the wrong place at the wrong time! You see, Columbine was the first piece of a bloody puzzle. A puzzle that will reveal itself in due time. WE are sure that you will think this a joke, but it makes it that much more fun. Columbine was unsuspecting, and the next of our game will be even more suprising. So, we bid you farewell, and happy hunting.

Dear Frank,

Eric + Dylan were excellent
"SKINNERians" for each one of them were
excellent "PRODUCTS" (of their environment),
great "overgrown-nonmaternal fetusses",
great EVILutionized "animals", great "situational
ethicists" for the Bible says there are
many "gods".

Consequently, all truth is "relative."

Consequently, one can legally kill THE
"presiDENCE", their parents, their children,
anyone due to 5 of the 9 "JUSTICES" on the
Supreme Court.

Might makes RIGHT!

Sincerely,

Lucifer S. Beelzebub

PS: Consequently, THE purpose of life is to have more self-esteem!

PPS: THE God of THE King-James version of THE "WORD" is merely a figment of your imagination due to the NEA's + B.F. Skinner's "SCIENTIFIC METHOD" for we don't have any videos of Him yet; neither can He be either seen, heard, touched, smelled, or tasted as well!

PPPS: Heaven is here on Earth for we all die + turn into dust in THE end

PPPPS: My name used to be "FRANCIS GERARD B." until FDR's "NEW DEAL" when I became a microchip # to our gov't (431-02-7185).

explosion, I would have to guess about 6 miles away. Then another one occurred closer. After recalling the night many times, I finally understood that these were diversions, to attract the cops. The last prep was bawling & trying to crawl away. The man walked up behind him. I remember the sound of the impact well. The man came down with his left hand, right on the prep's head. The metal piece did its work, as I saw his hand get buried about 2 inches into the guy's skull. The man pulled his arm out, and stood, unmoving, for about a minute. The town was utterly still, except for the faint wail of police sirens. The man picked up the bag and his clips, and proceeded to walk back the way he came. I was still, as he came my way again. He stopped, and gave me a look I will never forget. If I could face an emotion of god, it would have looked like the man. I not only saw in his face, but also felt emanating from him power, complacency, closure, and godliness. The man smiled, and in that instant, thru no endeavor of my own, I understood his actions.

The town, even at 1:00 AM, was still bustling with activity as the man dressed in black walked down the empty streets. The moon was barely visible, hiding under a shield of clouds, adding a chill to the atmosphere. What was most recognized about the man was the sound of his footsteps. Behind the conversations & noises of the town, not a sound was to be heard from him, except the dark, monotonous footsteps, combined with the jingling of his belt chains striking not only the two visible guns, in their holsters, but the large bowie knife, slung in anticipation of use. The wide-brimmed hat cast a pitch-black shadow of his already dimly lit face. He wore black gloves, with a type of metal spiked-band across the knuckles. A black overcoat covered most of his body, small lines of metal & half-inch spikes layering upper portions of the shoulders, arms, and back. His boots were newly polished, and didn't look like they had been used much. He carried a black duffel bag in his right hand. He apparently had parked a car nearby, & looked ready for a small war with whoever came across his way. I have never seen anyone take this mad-max approach in the city, especially since the piggies had been called to this part of town for a series of crimes lately. Yet, in the midst of the nightlife in the center of the average-sized town, this man walked, fueled by some untold purpose, what Christians would call evil. The guns slung on his belt & belly appeared to be automatic hand guns, which were draped above rows of magazines & clips. He smoked a thin cigar, and a sweet clovesque scent, emanated from his aura. He stood about six feet and four inches, and was strongly built. His face was entirely in shadow, yet even though I was unable to see his expressions, I could feel his anger, cutting thru the air like a razor. He seemed to know where he was walking, and he noticed my presence, but paid no attention, as he kept walking toward a popular bar, The Watering Hole. He stopped about 30 feet from the door, and waited. "For whom?" I wondered, as I saw them step out. He must have known their habits well, as they appeared less than a minute after he stopped walking. A group of college-preps, about nine of them, stopped in their tracks. A couple of them were mildly drunk, the rest sober. They stopped, and stared. The streetlights illuminating the bar & the sidewalk showed me a clear view of their stare, full of paralysis & fear. They knew who he was, & why he was there. The second-largest spoke up "What're you doin man.... why are you here...?" The man in black said nothing, but even at my distance, I could feel his anger growing. "You still wanted a fight, huh? I meant not with weapons, I just meant a fist fight.... cmon put the guns away. ~~AAE~~ pussy!!" said the largest prep, his voice quavering as he spoke these works of attempted courage. Other preps could be heard muttering in the background; "Nice trench coat dude, thats pretty cool there...." "Dude we were jus messin around the other day chill out man..." ... "I didn't do anything, it was all them!!" ... "cmon man you wouldn't shoot us, were in the middle of a public place..." Yet, the comment I remember the most was uttered from the smallest of the group, obviously a cocky, power hungry p* & \$k. "Go ahead man! Shoot me!!! I want you to shoot me!! Heheh you wont!! Goddam p*%!y...." It was faint at first, but grew in intensity and power as I heard the man laugh. This laugh would have made Satan cringe in Hell. For almost half a minute this laugh, spawned from the most powerful place conceivable, filled the air, and thru the entire town, the entire world. The town activity came to a stop, and all attention was now drawn to this man. One of the preps began to slowly move back. Before I could see a reaction from the preps, the man had dropped his duffel bag, and pulled out one of the pistols with his left hand. Three shots were fired. Three shots hit the largest prep in the head. The shining of the streetlights caused a visible reflection off of the droplets of blood as they flew away from the skull. The blood splatters showered the preps buddies, as they were to paralyzed to run. The next four preps were not executed so systematically, but with more rage from the man's hand cannon than a controlled duty for a soldier. The man unloaded one of the pistols across the fronts of these four innocents, their instantly lifeless bodies dropping with remarkable speed. The shots from that gun were felt just as much as they were heard. He pulled out his other pistol, and without changing a glance, without moving his death-stare from the four other victims to go, aimed the weapon out to the side, and shot about 8 rounds. These bullets mowed down what, after he was dead, I made out to be an undercover cop with his gun slung. He then emptied the clip into two more of the preps. Then, instead of reloading & finishing the task, he set down the guns, and pulled out the knife. The blade loomed huge, even in his large grip. I now noticed that one of two still alive was the smallest of the band, who had now wet his pants, and was hyperventilating in fear. The other one tried to lunge at the man, hoping that his football tackling skills would save his life. The man sidestepped, and made two lunging slashes at him. I saw a small trickle of blood cascade out of his belly and splashing onto the concrete. His head wound was almost as bad, as the shadow formed by the bar's lighting showed blood dripping off his face. The last one, the smallest one, tried to run. The man quickly reloaded, and shot him thru the lower leg. He instantly fell, and cried in pain. The man then pulled out of the duffel bag what looked to be some type of electronic device. I saw him tweak the dials, and press a button. I heard a faint, yet powerful

As I walked through the broken door entrance to the final military installation, I realized that this hellish experience was almost over. But that would mean that they bad guys would win, and I just could not allow that to happen. So I gathered up all the bullets and superior firepower I could scavenge off of the dead soldiers, or what was left of them, and prepared myself for the last battle.

As I entered the last military base on the moon, I came upon a hellish sight. Bodies of my former marine buddies were scattered across the stone floor. The deathly dark glow of light from above was barely enough to notice the blood and flesh splattered on the large slabs of granite that passed for walls. The platoon had tried to barricade themselves in, but with the alien fire coming through two gigantic windows and with a blitzkrieg of monsters in the small doorway between the windows, the marines couldn't hold them. Arms, legs, and heads were tossed about as if a small child turned on a blender with no lid in the middle of the room. Some were burnt off, some torn, some eaten. Even though the mass of alien bodies outside the room was at least 10 times the marines', they still fell. I must be crazy to fight this war; I must be out of my battered mind. How could one soldier stop all of these monsters? There must be some way out of here that doesn't involve firepower. It is just too much, all the death and destruction. It's pointless, there's no way, no way at all. I can't fight anymore, let them take Earth. I'll stay here on my little moon, along with my squad of dead soldiers.

Subject: Please send your prayers!

Dear friends, relatives, and oher aquiantences-

First to my friends that had to live through that hell yesterday.... I want to let you know that I am okay and extremely pleased that you listened to me. I would also like to thank the psycho nutcase with a dish rag on his head for going back for our friends... Thanks Bret! I would also like to thank the rest of you for listening to me in a time when you and I had no idea what was going on. I want to tell you that I was only scared at three points yesterday. (1) When we were under the table and everyone started running away. (2) When we were in the bathrooms and store rooms hearing things go on above us and (3) When Bret was not with the group that I escorted out of the hellish enviroment. I would like to thank all of you who were there listening to me give you directions. I was gladly willing to lay down my life to save yours and you recognized it. I want to thankyou for staying low and grasping onto my every word. I am seriously afriad that if I hadn't been there you would have all run up those stairs and been shot by my friends that I thought I knew. You all know me and I am more grateful to you for listening than anything else! If you hadn't listened and took off running it could easily have been one of you still laying in the school at this hour. There isn't much I can take credit for or am willing to take credit for....except that I am fortunate because I have you all still here with me! The hell has only begun. I am hurt. I am really hurt! I still cannot comprehend that my friends were physically capable of coming in and doing this to sooooo many others. I am sorry and if anyone needs to talk please give me a phone call or if you want to hear me talk....call please!

Next to my friends and e-mail aquaitances. I am really glad to hear so many of you express your concern to us here at Columbine! My friends are not the "evil" people that they make them out to be on television...there is no "trenchcoat" posse. I would like to inform you that I am extremely sorry for the tradgey that happened here. I want you all to pray for Dylan and Eric also. They were excellent individuals. I am sorry for what they have done but my heart and prayers go with them just as equally as they go with the victims that were slain and injured yesterday afternoon. I hope that you all hold us near to your hearts and talk about this without prejudice toward Eric and Dylan.

The Mind and Motives of Charles Manson

Dylan Klebold

11-3-98

L.A., Per. 6

In 1994, Oliver Stone directed a film, using a Quentin Tarantino-written script about a pair of lover serial killers, (partially using the "Bonnie and Clyde" theme) entitled "Natural Born Killers." This film portrayed the main two characters who, at the point between innocent teen-ager and experienced adult, defy society, and get lost in their own little world, killing, and robbing whoever they come across. Although still on Earth, they live by their own morals, beliefs, and at the end of the film, expose the media and the law for its flaws. The truth to this movie is that it was not made to reproduce the Bonnie and Clyde theme, but it was almost an exact parallel to one man, with similar experiences in the late nineteen-sixties; Charles Manson. Oliver Stone stated later, in an interview related to the movie "The idea was that he would become more like Charlie Manson." (describing an interview with Mickey Knox, the serial killer in Natural Born Killers.) The parallels from the film to the most stunning murders in the sixties can be seen from the similarities in the interviews between Manson and Knox, to the setting and time period. The point being that the movie was later considered one of the most daring-movies of all time, thus just scraping the surface of the severity of the story behind Charles Manson and his so-called "family."

Charles Manson was born near 1935 to an unknown father, and a prostitute. Not much is known about his past, just abstract things. Manson went to a foster home at age three, and his mother later was arrested for robbery. From then to the age of eighteen and

#10351

past, he was moved around from foster home to foster home, juvenile prison to juvenile prison. His prison record included two counts of forgery, two counts of mail theft, check forgery, probation violation, pimping, and GTA. It was around this time in his life that he met the early members in his family.

Patricia Krenwinkle was an average girl growing up in the suburbs. She got average grades, and sang in her school's glee club. She had one sister, a mother, and their father was an insurance agent. At age eighteen, she was a secretary, and had just joined the hippie movement. She met Charles Manson at a party at the house of her sister's friend. He was playing an original, yet sad song on his guitar. She was drawn to him by his karma, mood, and attitude, which led to their sleeping together that same night. He inticed her, by words of love and happiness, to an extent that she was happy whenever he was around, and never wanted to leave him. Two days after meeting him, they, with others, left for San Francisco. ³ transition sentence

Leslie Van Houten had a similar upbringing. She was a suburbanite, who sang in a church choir, and was later the homecoming princess at her high school. Other than the fact that her father left the family when she was young, she had an uneventful early life. At her late teenage years, she wanted more than normal girls had at that time. She heard about Manson, how he had the answers, and how closely he portrayed christ. She too met him, and fell into what might not be called "love", but possibly an obsession, with him and with the happiness that he appeared to bring with him. With Manson she later explained her actions "I followed him because I anticipated a positive change."

Others like Krenwinkle and Van Houten had gotten word of Manson's unearthly

#10351

beliefs and prophecies. Charles "Tex" Watson, once an All-American high school athlete, later became Manson's biggest believer. Lynette "Squeaky" Fromme, whose father was an Aeronautical Engineer, was also a follower, and later was the acting head of the family when Manson was not around. These people, and dozens others followed Manson out West, first to San Francisco, and then further South, winding up at a place called Spahn Ranch.

Charles Manson would later have a "family" of these followers, who literally did whatever he asked. They found happiness in his and each other's presence. It was mainly a piece of the hippie movement, a way to stray from the norm and live opposite of what one was raised to learn. The structure was simple; he was the leader, the christ, the martyr of the group, and they listened to and did what he said. This type of control, however innocent the motives, could be considered a cult, and was later labeled as such. Yet, the main principals behind their family was, and only was, Manson's will. [The Mind and Motives of Charles Manson, and society's counteractions are best described when his beliefs, his actions to support and uphold these beliefs, and society's laws to stop him are taken into account.] -T

Manson has been proclaimed by many to be insane. The question of whether or not he is insane is a question of opinion, which cannot have a "true" right answer. However, his beliefs, which fueled his and his family's actions between 1968 and 1975 conflicted with society's morals, around which this country revolves. The severity of Manson and his family's doings are reasoned behind his beliefs toward himself, his family, nature, other people, and the law.

Charles Manson, on many occasions, has compared himself to Jesus Christ. He

JC-001-016025

#10351
believed that he was Christ, and the world had made him suffer. just as Christ did two thousand years ago. He also had his family believing that he was christ. He said in an interview, when asked how he got his followers to believe that he was Jesus, "I was just being myself..... all men ^{is} Jesus Christ." He also believed that he was Satan, to come to Earth and start Helter Skelter, what he called a prophetic armageddon.

His family, he believed, had two main spiritual duties: to learn to be him and to act like him, and to also learn and believe in what he did. He and the family lived with each other, living off, what he would consider love, for each other, and the earth. He told them that the happiness is in love. He believed that they should, when necessary, die for him, and not feel remorse. He preached to them that death was not bad, just another high. The family eventually adopted these beliefs, thus putting them at his complete control.

Nature, according to Manson, was one of the most precious things in life. He subscribed to the belief that ATWA (Air, Trees, Water, Animals) kept humans alive, and we should treat ATWA with equal respect. He once metaphored that ATWA was a ship, and the human wastes to the earth, pollution, and forest destruction was like a hole in the bottom of the boat. He, when living at Spahn Ranch, would tell his family to let the scorpions crawl over them, as they were animals, not meant to endanger the family.

Helter Skelter, revenge ^{is} were part of his beliefs. Humans had corrupted the Earth and ATWA, and were ignorant about it. Manson had felt that society dumped him, and he felt great rage for society, and people, and later found an anthem for his rage. When asked

about his actions, many years after the murders, he had said that he is a part of everyone, that he mirrors people, because they shaped him. The Beatles' "White Album" included

#10351
songs (Helter Skelter, Revolution #9, Piggies, and others) that Manson felt documented his

rage toward society. When at the ranch, he and the family listened to these songs many times over. Manson thought he had heard his name being said in one of the songs. Their thoughts about Helter Skelter, or the armageddon, were brought out by these songs. In Revolution #9, he heard machine gun fire, the oinking of pigs, and a man saying "rise."

His beliefs would later incite Helter Skelter, using his family as a type of "army."

Some people believe that he just brutalized people, that the murders were for no cause.

and

he was just insane. Yet, more than twenty-five years after he and his family were

convicted, he still has the same beliefs, and still can logically explain his actions.

August 9, 1969 and August 10, 1969. These two days carry a dark shadow over

them. Two of the first ritual cult-style mass murders in U.S. history. The first of the two changed the mood of the entire population of L.A. for almost a year. These murders were the coming of Manson's Helter Skelter, the armageddon of the Earth.

Spahn Ranch is a small, run-down ranch near L.A. It was owned by George

Spahn, who was then a decrepid, eighty-year-old wrangler, whose kids had gone away.

and

whose wife had died. He was depressed near death, when a group of hippies came to his

door. They agreed to take care of him, and the ranch in exchange for living space. He

agreed. The group, otherwise known as Manson's family, had Squeaky take the most care

of George, which included cleaning, cooking, making love to him, and other various tasks.

The family, which consisted of twenty-six people, began its cultish life in the desert.

"We played a lot of music, we did a lot of drugs, we loved, we were happy" replies

Manson when later asked about life at the ranch. The family, did these things, and more.

10357

They lost their humanity at the ranch. Life was lived "now". for "today." Manson told them to always "live today." The family members never talked about the past, never thought about the past or the future. The initiation of female family members was just that they joined. Male members would pick any woman they wanted and made love to them. Manson's thoughts on this was that that's what women are for, to bait the men. The women were not allowed to deny who picked them. They had no watches, to forget time, and society. Manson would walk up to members daily, and have them mirror his actions, to try to be exactly like him. They took hundreds of acid trips. they did marajuana, and during the acid trips, he would have them reenact the crucifixion. During these times he would ask them if they would die for him, if they would "be him." The members had started to live Manson's reality. Manson would hear about the discrimination against the blacks in the South, and this was partially where he based his proof that Helter Skelter was near. the members started getting more guns, knives, and other weapons. They had lookouts at the ranch. They also robbed places to get money. Leslie Van Houten even robbed her father to get money for the cause.

By August 8, 1969, Manson had allready killed a few people for various reasons. These drug dealers, and bums that he did kill are civil compared to the two ritualistic murders, done for Helter Skelter. Manson once tried to get a record contract from a producer, living at 10050 Cielo Dr. in Bel-Air, which later failed. Manson, who had been telling the family for months that they needed to start Helter Skelter themselves. needed money to bail out a member from jail. near midnight, on August 8, he called a meeting about this. He sent Pat Krenwinkle, Susan Atkins, Linda Kasabian. and Tex Watson to

10351
10050 Cielo Dr. to get money. He had told the women to do whatever Tex told them,
and

was remembered saying "I don't care how you do it, but do it, and get it done now!"

Later

that night, just after midnight, August 9, they pulled up to the driveway. Tex cut the

telephone wires, and, bypassing the electric gate, the women scaled a fence and climbed

up

a hill to the yard. This house was no longer occupied by the record producer of Manson's

acquaintance, but instead a beautiful new actress named Sharon Tate. Her lover and soon-

to-be husband Roman Polanski, who was a movie director, was in London at the time.

She was pregnant with their eight-month-old baby. She, Jay Sebring, Voytek Frykowski,

and Abigail Folger were at the house for the night. Sebring was a world-wide known

hair ~~dresser~~ ~~movie~~

dresser, owning Sebring International. Folger was the heiress to the Folger coffee

fortune. Frykowski was an actor, her lover. Back behind the house in a small shack was

William Garretson, who was a caretaker of the house, who would later be an important

witness. At the time when the women jumped the fence and were waiting for Tex, they

heard four gunshots. He has seen Steven Parent driving up to the residence. He was an

acquaintance of Garretson, coming by to visit. He was killed instantly, four shot at point-

blank range. Tex then caught up with the women, and walked to the front door. It was

locked, so he went through an open window next to the door, letting the women in first.

They got the four people into the living room, together. Sebring, who tried to protect

Sharon, was bludgeoned in the head once, then shot and stabbed by Tex. The other three

people were panicked at this time. Frykowski tried to run out the back door, but was

caught up to by Tex. He was clubbed in the head several times, shot, and stabbed. It was

10357

later counted that he was stabbed fifty-one times. Before his death, Abigail Folger had been tied up, and now was starting to get free. She ran out the back, pursued by Krenwinkle. She was ran down, and stabbed to death. Krenwinkle later recalled her saying "I'm allready dead..." (later found to have been stabbed twenty-eight times.) Finally, Sharon Tate, the only one left, was begging for the life of her baby to Tex, who replied "Look bitch, I have no mercy for you." He then stabbed her ~~stabbed~~ to death. After these five brutal murders, the killers wound up taking only seventy dollars before leaving. When returning to the ranch, Manson was remembered saying only two things; "Do you have any remorse?", and "Don't tell anyone."

"Sharon Tate, four others slain in ritualistic murders." These were the headlines the following day in the Los Angeles Times. Even the New York Times, which never printed murder cases on the cover page, printed the Tate murders on the cover for almost a week. The night of August 9, 1969, Leno Labianca and his wife, Rosemary, were driving back from a vacation at Lake Isabella. It was about 3:00 AM, August 10 when they finally arrived back at their house. Manson had picked Krenwinkle, Van Houten, and Tex to go to their house. Manson still needed money, and he said that he went to a party at the neighboring house once before. He had asked Van Houten, "Can you be me, do you believe enough in me to do this?" This time, Manson came with them in a seperate car. They arrived, and walked through the front door. Tex tied up Leno, who was reading the paper in the living room. At this time, Manson had left, leaving no evidence of his presence. The two girls took Rosemary into the bedroom. Manson had told Tex "Don't

10351

scare them like last time, just kill them." Leno was stabbed to death while Rosemary was forced to listen. Tex then came in, ^{and she} stabbed her to death ~~and~~. He then handed a knife to Van Houten, who then stabbed Rosemary in the back fifteen times. Pat then went out to the dead body of Leno. She took a fork, and stabbed him on the stomach multiple times, and finally left the fork in him. No money was taken.

During the first set of murders, They had written "Piggies" and "Helter Skelter" in Tate's blood on the door. In the second set, they wrote with Leno's blood "Rise", "Death Pigs", and "Helter Skelter" on the walls before they left. These cultish writings were the only things that the police could find in common to the two murders.

By 1970, Manson and his followers had killed more people than the victims in the Tate-Labianca murders, but the severity of the two back-to-back slaughters shocked the nation. Nobody had seen killings like these. Unprovoked, unnecessary, and inhuman.

Four months after the two murderings, police finally caught up with and arrested Manson and his followers for the murders. The cultish actions and Manson's control over the family, however, didn't stop when they were all in custody of the law. It had taken years after the trials for the family to break Manson's will over them.

Manson and four of his followers were arrested four months after the murders. He, along with Tex Watson, Susan Atkins, Leslie Van Houten, and Pat Krenwinkle were charged with first degree murder counts on Steven Parent, Sharon Tate, Abigail Folger, Voytek Frykowski, Jay Sebring, Rosemary Labianca, and Leno Labianca. The main pieces of evidence were the revolver that Tex used in the Tate murders, and fingerprints around the residences. The revolver, which was later found in a field near the site, had no

10351
gun grip, which was found in three pieces at the Tate crime scene.

Along with the seven known murders, Manson and his followers had collected a "tab" of bodies around the L.A. area, for various reasons. These others include Nancy Warren, Clida Delaney, Marina Habe, Mark Walts, Gary Hinman, Donald Shea, John Haught, James Sharp, Doreen Gual, and Ronald Hughes, the last one, in late 1970. Also, Squeaky, Manson's acting head of the family, had attempted to assassinate president Gerald Ford in 1975.

During the trial, Manson had his three female followers do many strange things to confuse the court, including carving X's in their heads, always making stupid symbols in the courtroom, and even taking full blame for all the murders. However, the prosecution, led by Vincent Bugliosi, had verbal evidence from a testimony given to them by Linda Kasabian. She, once a family member, had traded information to the prosecution for a full pardon. It was recalled that a family member screamed at her from outside the courthouse "You're going to kill us all!" After the end of the trials, Manson and his family were all found guilty, partly due to the testimony of Kasbian, and also to the evidence found. They all got the death penalty, which was abolished about a year after the trials. Their sentances were reduced to life in prison. Since then, up until the present, Manson has been living in solitary confinement, without parole. Pat Krenwinkle, Leslie Van Houten, and Susan Atkins are still in prison, are allowed parole attempts. and never recieve them. Tex Watson is in jail, but was allowed to marry, and has three kids.

The law of America and the state of California stopped Manson from committing

10367

more murders, and mostly put an end to his family. However, the country has been shocked for twenty-five years hearing about Manson's family. The severity of the Tate-Labianca murders has never diminished, and even though the murders are credited to Manson's ideas, the innocent times of a hippie cult, the family's life at Spahn Ranch can also be credited to him, and his ideas.

To this day, Manson's influence over his followers, and the entire U.S. is still lingering. He always told people he was a crazy old man, but many people followed him. However, his beliefs, and the beliefs of his followers have changed in twenty years.

Cult behavior, for the most part, sprang up after Manson's family affairs in the late 1960's. One good example of the related lifestyle is David Karesh and his followers in the early 1990's. According to Krenwinkle, the scariest thing is when Manson gets a follower from the younger generation. For example, Axel Rose recorded one of Manson's songs, and wears a Manson T-shirt at concerts. "The biggest misconception is people thinking that what we did was OK." says Krenwinkle in a recent interview.

To this day, Manson still believes the same things he has ^{whole} ^{same} all his life. He also says that he had no part of the Tate-Labianca murders, and that the government treated him unfairly. Manson will be in solitary confinement for the rest of his life, saying these things to countless reporters who choose to hear his side of the story.

Pat Krenwinkle, Leslie Van Houten, and Susan Atkins, the three women followers tried with Manson are all in jail to this day. They all have dropped Manson's beliefs, and live commendable lives. Atkins has converted to Christianity. Van Houten and Krenwinkle, who hold jobs, and help kids with drug problems, say "The thing about Charlie is that he says he's crazy to hide under people's awareness. In this way, he can get

10357

people to do things for him, without them questioning his motives." This is what they say happened to them, and countless others, who subscribed to Manson's beliefs, and suffered the consequences.

Manson's murder case was the most extraordinary of the time period, especially taking into account the hippie era. However, the murders partially stemmed from the era. As he had so many people under his control, believing his every word, what he thought of turned into a reality. Oliver Stone compliments Manson, when describing his interview with Geraldo Rivera, saying that Manson had the upper hand of the discussion the entire time. Intelligence is not one and the same with sanity, however, which might have explained Manson's retaliation against society. It is of somebody's opinion, to decide whether or not they think Manson is insane. Yet, His mind and motives can explain why he acted how he did, and why society didn't approve.

Re: Search Warrant

Dear Ms. Zimmerman:

This letter is in response to the Search Warrant issued to United Parcel Service ("UPS") on or about May 13, 1999 ("Subpoena").

The Search Warrant requested any records related to deliveries made by United Parcel Service (UPS) to [REDACTED] Littleton, CO 80123, County of Jefferson, State of Colorado, and [REDACTED] Littleton, CO 80127, County of Jefferson, State of Colorado; to include, dates deliveries made, originator of deliveries, and party who signed for deliveries.

UPS maintains domestic shipping and delivery records for one year only. UPS implemented its one-year record retention policy in January of 1995 pursuant to the Federal Aviation Administration Authorization Act of 1994 (FAAAA), which deregulated the industry. Due to the burden of lengthy retention periods, the FAAAA preempts individual states from imposing record retention requirements on motor carriers that are longer than one year. However, in cases where a UPS package tracking number is made available, it is possible to search for a delivery confirmation for the previous eighteen months.

UPS made a diligent search for records during the time period of May 19, 1998 through May 19, 1999. As the enclosed information reflects, UPS has been able to locate delivery records for services to [REDACTED], Littleton, CO 80123 and [REDACTED], Littleton, CO 80127. These records identify by shipper number the shipper who sent the package. The enclosed delivery records also indicate the date the particular delivery was made, address, including zip code, to which the shipment was delivered, and, where available, the name of the person who signed for the package.

Customer profile documents, which identify the shippers of the packages delivered to [REDACTED] Littleton, CO 80123 and [REDACTED] Littleton, CO 80127, are also enclosed.

Please call me at (404) 828-8119 if you have questions or concerns. Until such time, UPS will consider this matter closed and your request answered.

Sincerely,

La'Kerri Jackson
