[Redacted] was shocked at first, then I told her what the paper had said, including the day and time of 'Mon 0630' [Redacted] smiled at that point and stated that it was the date of 04/299 at 0630 hours when her husband [Redacted] Eric's father, left to fly the company plane to Duluth. NARRATIVE:

AT ABOUT 2:30 I WAS DISPATCHED TO THE AREA OF
DEER CREEK CANYON RD. AND HWY 121. REPORTED CRIMINAL
MESHEE. I WAS ADVISED BY DEPUTY WASH TO CHECK THE
AREA FOR A VAN THAT WAS ILLEGALLY ENTERED BY THE
SUSPECTS. I WAS IN CONTACT WITH ME. I ARRIVED TO THE
AREA AT ABOUT 2:35 AND OBSERVED A WHITE VAN PARKED ON
THE DIRT SHOULDER, FACING NORTH ON THE NORTH SIDE OF
DEER CREEK CANYON RD. ABOUT 100 YARDS WEST OF HWY 121.
I OBSERVED THE PASSENGER SIDE WINDOW WAS BROKEN.

THERE WERE NO OTHER VEHICLES PARKED NEARBY. THE
VAN, A WHITE MINI-VAN (STATION) HAD LARGE LETTERS
PAINTED ON THE SIDE AND BACK "WESTOVER MECHANICAL SERVICES"
WITH THE PHONE NUMBER TO THE BUSINESS. THE PASSENGER
SIDE DOOR WAS UNLOCKED. I OBSERVED A LARGE ROCK
YIELD BETWEEN THE TWO FRONT SEATS. SEVERAL ITEMS
INSIDE THE VEHICLE APPEARED TO BE SCATTERED AROUND IN
DESARRAY: THE SIDE PANEL DOOR, REAR DOORS, AND DRIVER'S
SIDE DOOR WERE LOCKED. THERE WAS A STEEL MESH CAGE
SEPARATING THE CARGO AREA FROM THE PASSENGER AREA.

DEPUTY WASH CONTACTED THE BUSINESS PREVIOUSLY FOR THE VEHICLE
AND LOCATED (W) BECKER WHO RESPONDED TO THE LOCATION
AT ABOUT 2:45. (W) BECKER ARRIVED. HE TOLD ME THAT HE
FOLLOWED THE VEHICLE AT THE LOCATION AND WENT TO DINNER
WITH A FRIEND. HE TOLD ME HE LEFT THE VEHICLE AT 2:00
AND WAS POSITIVE THAT IT WAS LOCKED. HE TOLD ME
THAT ITEMS INSIDE THE VAN HAD BEEN DESTROYED AND
COULD NOT BE RETRIEVED. HE TOLD ME THAT IT WAS POSSIBLE TO
REACH BEHIND THE STEEL CAGE AND ACCESS THE CARGO DOORS.

(W) BECKER TOLD ME HE WAS UNSURE IF ANY THING WAS
MISSING. AND DUE TO THE CONDITION OF THE INSIDE OF THE
VAN, HE WOULD INVESTIGATE LATER. I PHOTOGRAPHED THE
VEHICLE AND SECURED THE ROCK AS EVIDENCE. (W) BECKER TOLD
ME HE WAS GOING TO PROSECUTE. I SUBMITTED THE ROCK TO THE EVIDENCE
CUSTODIAN AT J.C.O.D. (SEE DEPUTY WASH'S REPORT)

Investigation

On 01/09/99, I was on duty and patrolling the South district. In unincorporated Jefferson County, at about 2:00 hours, I drove into Deer Creek Canyon Park, 13844 Grizzly Drive, Littleton, CO, County of Jefferson. I observed a vehicle parked near the North West Corner of the parking lot. The vehicle's lights were on and it appeared the engine was not running. 'Deer Creek Canyon Park' is a Jefferson County Open Space Park that closes to the public at 6:00 hour after sunset. The parked vehicle was at about 1815 hours on this date and County Ordinance 5.84.12 demands this Park Closed. The Vehicle was facing South East and the interior dome light was illuminated. I could see that the vehicle was occupied by two people. I exited my patrol car and approached the vehicle. I stood behind the vehicle and could see into the vehicle. The vehicle was occupied by what appeared to be two white juveniles males, one inside in the front drivers seat and the other in the front passenger seat. They appeared to be listening to music and reading a comic book to play. I then observed the passenger.

Who I later identified as (S) Klebold, Dylan, took a yellow marker, property item #1 from the floor behind the passenger seat and start to examine it. He was playing with it. The passengers became excited yelling "Cool!" (S) Klebold then grabbed a small black flashlight, property item #2 and then turned it on. (S) Harris said "Wow! That is really bright!" He then grabbed a Video Game Play Station, property item #3 and said "Hey, we got a Nintendo Game Pad." He kept looking behind the passenger seat on the floor at other property from there. I could see a Stack of Property, including a Black Brief Case. (S) Harris then said "Hey, we better put this stuff in the trunk" and unlatched the trunk from the interior of the car. He then ejected the Car and I made my presence known. I asked him what they were doing here and what property they were looking at. (S) Harris said that he and (S) Klebold were hunting around near Deer Creek Canyon Road an unsurfaced Road...my wife was walking near the parking area when they found all the property stacked really in the grass, I asked if I could see it.
The Property. We said "Sure," and he said (5) Klebold took the property, property item's #1 thru #71 from the car and placed them on the trunk of the vehicle. A 1994 Honda Prelude, Gray 2-door.

With Colorado Registration GDP2413. I again asked how they found the property. This time, (5) Klebold told me what they found it in the garage near Deer Creek Canyon Road and Westworth Dr. I told him what I would have to call another deputy to go by the area to see if and cars had been broken into because it was suspicious that someone would have this amount of property unattended.

I asked them to be honest with me and tell me if they broke into a vehicle and took the property because the other deputy would be able to determine if any vehicles there were broken into.

(5) Harris looked at (5) Klebold and he was a short silence. (5) Klebold then told me that there was a white van parked at Deer Creek Road and Westworth Blvd and they broke into the passenger window and stole all the property that was now in the trunk. Upon this admission, I asked them no further questions and I placed them into custody and kept them separated. I placed (5) Harris in my patrol car and (5) Klebold into Sgt. Lebeta's patrol car. Sgt. Lebeta responded to assist me once I placed them into custody.

Deputy Falsaro arrived, photographed and inventoried the vehicle.

See Deputy Falsaro's report for further details.

Sgt. Wade confronted (5) Klebold and (5) Harris's parents and had them meet us at the South Sub Station. I transferred (5) Harris to the South Sub Station when I met with his parents.

(5) Harris, Wayne, and (5) Harris' Katherine. I explained the situation to them. Then and (5) Harris's rights from the departmentally issued Miranda Warning form in the presence of his parents, etc.

Said he understood his rights, agreed to waive them and signed the waiver. Both parents also agreed to waive the waiver. He told me that he and (5) Klebold had met a friend at 7-Eleven, parked at the church near Ken Caryl and Randolph. He couldn't remember when he and (5) Klebold left 7-Eleven, but he thought it was about 9:00 p.m. He was driving his car which is actually registered to
Points 1. and 2. Klebold was in the front passenger seat. They drove to the parking area on Deer Creek Canyon Road which is just west of Watrous Blvd on the north side. They got out and found some empty beer bottles and started smoking them and just "messing around." He drew me a map of the parking area that they were at. His car was parked between a white van and a red truck. The red truck and white van were parked facing north, his car was backed in facing south.

We said 3. Klebold looked into the white van and saw some property in it. He asked 4. Harris "Should we break into it and steal it?" It would be nice to steal some stuff in there. Should we do it? 5. Harris said his initial response was "Hell no." They discussed it momentarily, but a while later Harris pulled up into the parking area so they got back into 6. Harris car. He was there for about 5 minutes then dropped someone off and got into the red truck. In the red truck and the white car then drove off. During this time, they discussed whether they were going to break into the car or not. The agreed that they would. 7. Harris exclaimed saying "Yeah, let's go!" 8. Harris stood on Deer Creek Canyon Road while 9. Klebold put on a ski glove on his left hand and tried to punch out the passenger window on the van. 10. Klebold tried three times unsuccessfully then 11. Harris tried punching out the glass one time using his right hand and "hitting the right handed ski glove.

They decided to get a rock from the grass area to the north of the parking area. 12. Klebold found a round rock about 10" in diameter. 13. Klebold finally broke out the passenger window with the rock after striking it about 7 times. 14. Harris again stood watch for any cars driving by. Once 15. Klebold broke the window and the rock fell into the front seat of the van. 16. Harris cleared the rest of the glass off of the window.

He then went and sat in his car while 17. Klebold removed the property from the van. He described the property taken as: a big block brief case with a lock. Dylan said it was heavy. A little cardboard box like garbage stuff, computer cables a flashlight...
- "Little thing of Toys"
- "Little thing of Keys"
- "Miscellaneous items"
- "Electronic package. Black on a blue cardboard in package"
- "Nintendo Controller Pad"
- "Checkbook"
- "Daily Planner"
- "Yellow electronic device with chord"
- "Black pouch containing tools"

He said (3) Klebold put all the property in the back seat behind the passenger seat. He knows that (3) Klebold opened the front passenger seat because he saw the dome light on. During this time, a car drove by, and (3) Klebold stood by his car. Once the car drove by, (3) Klebold went back to the van and last time, said they were at this area for a total of about 30 to 40 minutes.

I then interviewed (3) Klebold. See his report for further details.

I then transferred (3) Klebold and (5) Harris to the field unit for a juvenile booking. After that, (3) Klebold and (5) Harris were turned over to their parents.

The wad that (3) Harris drew of the parking lot where the crime occurred is contained with this report.

I filled all the reporting that (3) Harris and (3) Klebold took out of the vehicle. Into J500 evidence.

According to J500 dispatcher, neither (3) Harris, nor (3) Klebold have any prior contacts with J500 or any criminal record.

I'm Dylan Kiebold were at a church off of Kendall and
Kehr car with Zach Heckler listening to music. We then left the
church (Metz and Kehr) and proceeded to the North west corner of Wadsworth
and Deer Creek Canyon Road. We parked in the grass and stayed there (in my
car) for a few minutes. Listening to a new music CD. We noticed a
white van to the west and a red truck to the Eeast of our position. We got out
of my car and looked around for something to do. We found some beer bottles
and we broke these for about 15 minutes. We then went back up to my car and
Dylan suggested that we should steal some of the objects in the white van.
At first I was very uncomfortable and questioning with the thought. I became
more interested with the drugs and we then decided to break the passenger
window with our fists. I looked for cars and I saw a white car come from
the west and pull up beside the red truck. Dylan and I waited in our car for
the white car to leave. After about 2 minutes a person got out of the car
and into the red truck. Then, both the truck and the car let's say westbound.
We then got out of my car and I went out into the street and waited for
back as Dylan hit the window with his left fist 3 times. Then I came over and
tried to hit it, one time, then we decided to get a rock to use. We went North
about 70 feet and Dylan found a rock big enough to hold in 2 hands.
I went back to look for cars as Dylan broke the window on his 6th try.
I then stood by my driver door and looked for cars while Dylan reached
through the window and took items from the car and placed them in
my back seat. After about 15 minutes (approx) Dylan opened the door twice
to get 2 more items and put them in my car. We then left the area and
got to the open space area and parked up there. We then began to review
the items and I suggested we put them into my truck. That is when the officer
confronted us.

Eric & I were driving home (him driving, his car) & we stopped at the parking lot things at Deer Creek Rd & Woodworth. We got out & he set off a few frames & then we were going around searching for the then almost at the same time, we both got the idea of breaking into this white van which was something for an electrical (maple) company. We tried to get the stuff inside. It was now glad & then tried to push them the passenger window. I tried like 3 times & then Eric tried a single time. We then found a rock & I tried to break the window with that. After about 5 times, the rock broke the glass & I unlocked the door from the inside & took electrical stuff & then things (don't know exactly) & then went to Deer Creek open space park we parked & turned on the scene lights & you weren't heard. Then an officer saw us & got all that we had to turn over the process (stolen).

On 01/29/98 at about 1645, I received a message to call (W) Becker. He told me we thoroughly examined his work van today and noticed that several items were stolen from the passenger compartment. He told me his briefcase and contents were located behind the driver's seat. A personal checkbook and volt meter were located on the passenger seat and a small black flashlight was stolen from between the seats. I told (W) Becker that several additional items were requested by Deputy Linksh and he responded to each item by knowing its location in the van. He told me that each item stolen was cast seen in the front passenger compartment of the van. He provided estimates to the items and told me he cancelled his checking account.

(N) Butler advised me that after returning home and checking his
wheels, he noticed that items 1-3 listed above were missing.
(N) Butler stated that the checkbook and the flashlight might be
at his work and would check there. (N) Butler advised me that
the checking account was new and had about $200.00 in it.

INVESTIGATION:

On 2-3-98 at approximately 1530 hours I spoke with Wayne Harris by telephone. Harris identified himself as the father of Eric Harris. Harris stated on the night his son was arrested property items had been removed from the trunk of his son's car. Harris advised me that in the property was a rented video tape, which is not related to the criminal investigation.

I responded to the JCSD evidence vault and was able to retrieve a video tape (Event Horizan) and receipt from JCSD evidence item #4, a black IBM Focus 97 vinyl carrying case originally submitted by Deputy Selsoci. The receipt with the video tape did indicate that the video had been rented by Wayne Harris. The video tape and receipt were removed from the black vinyl bag, which was resealed and returned to JCSD evidence.

On 2-3-98 at approximately 1630 hours Eric and Wayne Harris responded to the JCSD complex. Wayne Harris completed the JCSD return of property/evidence form and the tape and receipt were released to him.

INVESTIGATION

On 2-4-98, at approximately 0930 hours, I met with Rick Becker at the J.C.S.D. evidence vault. Becker was asked to identify evidentiary items that had been collected by Deputy Walsh and Deputy Felsoci on 1-30-98. Becker reviewed all collected property and identified the above listed items as belonging to him. Becker said these were the items that had been stolen from his work van on 1-30-98.

Rick Becker completed the J.C.S.D. receipt for the return of property evidence indicating he is lawful owner and has not been compensated for the loss by his insurance company. Becker stated he did not believe he had any outstanding property missing from the trespass to his vehicle, but would notify J.C.S.D. if he had any further information.

SYNOPTIC:

Case filing on juvenile defendants DYLAN BENNET KLEBOLD and ERIC DAVID HARRIS regarding a First Degree Criminal Trespass To A Vehicle, Felony Theft with a total aggregate value of $1719.00 and a Criminal Mischief with an aggregate value of $100 damaged.

On January 30, 1998, at approximately 9:20 p.m., Jefferson County Sheriff's Deputy Timothy Walsh was conducting patrol duties in Deer Creek Canyon Park, 13896 Grizzly Drive, Littleton, Colorado, County of Jefferson, State of Colorado. Deputy Walsh observed a gray 1986 Honda Prelude, Colorado License #2-2113, parked near the northwest corner of the parking lot. Deputy Walsh reported that two juvenile white males were observed inside the vehicle. Upon approaching the vehicle Deputy Walsh reported he observed the passenger, later identified as Dylan Bennet Klebold and the driver, Eric David Harris, viewing a variety of items from the back seat of the vehicle, including a yellow meter (JCSD Item #1), a black flashlight (JCSD Item #9), and a video control pad (JCSD Item #7). Deputy Walsh reported he could see a "stack of property" located behind the passenger seat. Deputy Walsh reported that Harris then said, "Hey, we better put this stuff in the trunk" and unlatched the trunk from the interior of the car. As Harris exited the vehicle he was subsequently contacted by Deputy Walsh. Deputy Walsh reported that when he asked Harris about the property he and Klebold were inspecting, Harris stated, he and Klebold were "looking around" near Deer Creek Canyon Road and Wadsworth Blvd. Harris continued stating they were walking near the parking area when they found the property neatly stacked in the grass.

Initially during the interview, both Harris and Klebold said that they "found" the property near Deer Creek Canyon Road and Wadsworth. Klebold then told Deputy Walsh there was a white van parked at Deer Creek Canyon Road and Wadsworth Blvd. and they broke out the passenger window and stole all the property that was discovered in their possession. After this admission by Klebold, Deputy Walsh asked no additional questions, and Harris and Klebold were taken into custody. Both Harris and Klebold were then transported to the Jefferson County South Sub Station for parental notification.

At approximately 9:37 p.m., Deputy Miller discovered a 1997 GMC van, Colorado license SBA-1094 located facing north on the north side of Deer Creek Canyon Road about 100 yards west of Hwy 121. Deputy Miller stated that he observed the passenger side window had been broken out and a large rock was observed between the two front seats of the vehicle. Deputy Miller did note that the interior of the vehicle "appeared to be scattered around in disarray." J.C.S.D. Dispatch contacted Westover Mechanical Services, the business name printed on the vehicle. Ricky Becker then responded to Deputy Miller's location.

At approximately 9:45 p.m., Becker advised Deputy Miller that he had parked the vehicle at the location he had discovered the van and went to dinner with a friend. Becker stated he left the vehicle at approximately 8:00 p.m. and was "positive" the vehicle was locked. Becker advised Deputy Miller that the items inside the van appeared to have been disturbed and gone through. Becker advised Deputy Miller that due to the condition of the van he would need to conduct an inventory at a later time in order to determine if any property items were missing from within.
Eric Harris's parents, Wayne Harris and Katherine Harris, met with Deputy Walsh at the Jefferson County South Sub Station. Eric Harris was advised his Miranda rights via a written J.C.S.D. Advisement/Waiver form. Both Eric Harris and his parents stated they understood his rights and would agree for Eric Harris to make a statement. Harris stated he had been parked next to Harris's vehicle, and saw some property in it. Harris said that Klebold asked him, "Should we break into it and steal it?" Harris told Klebold, "No." Harris said Deputy Walsh another car drove into the parking and they got back in Harris's car. Harris stated that they remained inside the vehicle for approximately five minutes and discussed if they were going to break into the vehicle or not. Harris stated that they agreed that they would (break into the vehicle). Harris stated that he told Klebold "Yes, we'll try it." Harris told Deputy Walsh that he stood on Deer Creek Road while Klebold put on a ski glove onto his left hand and tried to "punch out" the passenger window of the van. Harris said that Klebold tried this three times unsuccessfully. Harris stated he then put the right ski glove on his hand and attempted to "punch out" the glass one time. Harris told Deputy Walsh that they decided to get a "rock" from the grassy area of the parking lot. Harris stated that Klebold found a rock, approximately 10-12 inches in diameter. Harris stated that Klebold was finally able to break out the passenger window with the rock after striking the window approximately seven times. Harris said he again stood watch while Klebold was breaking out the window. Harris said after breaking out the window and the rock fell into the front seat of the vehicle, Harris then cleared the class off of the window. Harris stated he re-entered his vehicle and waited while Klebold removed the property inside the van. Harris stated Klebold put all the property from the vehicle into the back seat of his vehicle, behind the passenger seat. Harris said he estimated that they were in the parking lot for approximately 10-40 minutes, and they were inside the van taking property for approximately 5 minutes. Harris stated once Klebold had taken the property and gotten back into his car they decided to go to Deer Creek Park to decide what they were going to do with the property, and they were at the park for approximately 5 minutes prior to being contacted by Deputy Walsh.

Jefferson County Sheriff's Sgt. Phillip Lebeda conducted an interview with Dylan Bernet Klebold and his parents, Thomas Klebold and Susan Klebold. After advising Klebold of his Miranda rights, both Klebold and his parents completed a J.C.S.D. Advisement/Waiver and agreed to make a statement.

Klebold told Sgt. Lebeda that he and his friend, Eric Harris, had traveled to the area of Wadsworth and Deer Creek Canyon Road. Klebold told Sgt. Lebeda that he and Harris had discharged fireworks and broke bottles for about 20 minutes. Klebold said that he and Harris then decided they could break into a vehicle and take stuff from it and "not get caught." Klebold stated that he and Harris attempted to gain entry into the vehicle by striking the passenger side window with their hands. Klebold said after striking the window several times. Harris then went and sat in his car in case they had to "get away fast." Klebold said he picked up a rock approximately 6-8 inches in diameter and struck the window at least four times before breaking the window. Klebold said he then entered the vehicle and took several items from inside the vehicle. Klebold told Sgt. Lebeda that he took, "one brief case, one black pouch, one flashlight, a yellow thing, and a bucket of stuff." Klebold said he then carried these items to Harris's car. Klebold also stated the he was wearing black ski gloves belonging to Harris so no fingerprints would be left. Klebold told Sgt. Lebeda that he had no idea what they were going to do with the stolen property. They then drove to Deer Creek Canyon Park where they were subsequently contacted by Deputy Walsh.

Upon completion of the respective interviews Harris and Klebold were transported to the J.S.D. Detentions Facility where fingerprints and photographs were taken. Both Harris
and Klebold were subsequently released back into their parents custody, pending filing of criminal charges.

On January 11, 1998, at approximately 4:45 p.m., Deputy Mark Miller was contacted by Ricky Becker. Ricky Becker told Deputy Miller that he had thoroughly examined his work van and noted several items were stolen from the passenger compartment of the vehicle. Ricky Becker provided Deputy Miller an itemized list of the items he stated were stolen from his vehicle, with a total value stolen of $1719, and approximately $100 damage to the passenger side window of the van.

Walsh, Tim
Deputy- Jefferson Co. Sheriff Dept. 303 271-0211

On 5-10-99 I contacted Walsh and inquired as to his contact with Harris and Klebold. He told me his only contact and knowledge of either Harris or Klebold was a contact and arrest regarding First Degree Criminal Trespass to vehicles and Theft by Receiving. Details to that arrest can be found in JCSO report number 98-2218. Walsh further told me that there was no indication that either were testing or had tested any devices at the location of contact.

At about 1700, I contacted (R) Brown at his residence. He told me that (SBI) Harres, his son, goes to school. (R) Brown also told me that (SBI) Harres has his own web page (HTTP://MEMBERS.BEA.COM/REKONOMICE/index.html) and has made death threats on his web page towards his son's (W) Brown. (R) Brown also told me that (SBI) Harres also talks of making pipe bombs and using them to kill numerous people. (R) Brown gave me 10 pages of material he has copied from (SBI) Harres's web page. While I observed the copies, I noticed that (SBI) Harres referred to wanting to kill (W) Brown these times. (SBI) Harres also explained about making and detonating pipe bombs and using them against people. (R) Brown told me he was concerned for his son's safety. He told me that he has reported (SBI) Harres to the State of Hawaii. A year ago and that is why (SBI) Harres wants revenge against his son. He told me he wasbusy interested in terrorism, anonymous, and (R) Brown did not want (SBI) Harres to have knowledge about his reporting these. (R) Brown told me that (SBI) Harres is an acquaintance of (SBI) Harres and does have knowledge about his making pipe bombs. (R) Brown told me that in the past (SBI) Harres has talked about crimes that he has committed to destroy an his web page. (R) Brown submitted copies of (SBI) Harres web page. Attached.

REBEL NEWS: Yo, this page will be getting some big ass changes soon. Ill be adding some new pages to it such as "New group names" and "Top 10 lists." Gonna have some cool shit. check it out. or ill blow you up. cause jo mame..........is so fat.

Homework sucks.

Mother fucker blew BIG. Pazzie was a complete success and it blew dese fuck outs a little creek bed. Flipping thing was heart-pounding gut-wrenching brain-twisting ground-moing insanely cool! His brothers haven't found a target yet though.

Atlanta, Pholus, Peitzo, and Pazzie are complete. For those of you that don't know who they are, they are the last 4 true pipe bombers created entirely from scratch by the rebels (Red and Vodka). Atlanta and Pholus are each 1 1/4" by 6" pipes. Peitzo is 1" by 5", and Pazzie is 3/4" by 5". Each is packed with powder that we got from fountains, mortar shells, and cracking belts. Each also has a +14" motor shell type fuse. Now our only problem is to find the place that will be "ground zero." Me and Vodka have made 2 more noisy crickets.

God dammit I'm sick of people saying "wick" when talking about fireworks! Don't sayin' say another fuckin' WICK or it's gone to dp yer fuckin' HAID off and YOU-rinate down yr' fuckin' neck!! ITS FUSE!

Special thanks to Excaluber, KIBBz, <Picture>, Vodka, Jester, and Imagines for helping me make this page happen.
Well all you people out there can just kiss my ass and die. From now on, i dont give a fuck what almost any of you muthas fuckers have to say, unless i respect you which is highly unlikely, but for those of you who happen to know me and know that i respect you, may peace be with you and dont be in my line of fire. for the rest of you, you all better fucking hide in your houses because im comin for EVERYONE soon, and i WILL be armed to the fuckin teeth and i WILL shoot to kill and i WILL fucking KILL EVERYTHING! No i am not crazy, crazy is just a word, to me it has no meaning. everyone is different, but most of you fuckheads out there in society, going to your everyday fucking jobs and doing your everyday routine shitty things, i say fuck you and die. if you got a problem with my thoughts, come tell me and ill kill you, because......god damnit, DEAD PEOPLE DONT ARGUE!

God DAMNIT I AM PISSED!!
http://members.aol.com/zebradimine/pissed.htm

Philosophy:

My belief is that if I say something, it goes. I am the law, if you don’t like it, you die. If I don’t like you or I don’t like what you want me to do, you die. If I do something incorrect, oh fucking well, you die. Dead people can do many things, like argue, whine, bitch, complain, nero, rat out, criticize, or even fucking talk. So that’s the only way to solve arguments with all you fuckheads out there. I just kill! God I can’t wait till I can kill you people. At just go to some downtown area in some big ass city and blow up and shoot everything I can. Feel no remorse, no sense of shame. I’ll blow you Pick ‘n’ Pull! I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass dogs. Mother fucking high strung goddamn attitude having worthless pieces of shit where. I don’t care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people like Brooks Brown.

America:

Love it or leave it motherfuckers. All you racist (and if you think I’m a hypocrite, come here so I can kill you) motherfucking assholes in America who burn our flags and disgrace my land, GET OUT!! And to you assholes in Iraq and Iran and all those other little piece of s**t desert lands who hate us, shut up and die! We will kick your ass if you try to fuck with us or atleast I will! I may not like or government or the people running it or things like that, but the physical land and location I DO fucking love! So love it or leave it!

Society:

I live in Denver, and god damn I would love to kill almost all of its residents. Fucking people with their rich snobby attitude thinkin they are all high and mighty and can just come up and tell me what to do and then people I see in the streets lying their fucking asses off about themselves. And then there is all you fitness fuckheads saying shit like “yeah do 50 situps and 5 pushups each morning and run a mile every day and go to the gym and work out and just push yourself to be better and you can achieve anything and set high goals and have great expectations and be happy and be kind and treat everyone equal and give to charity and help the poor and stop violence and drive safely and don’t pollute and don’t litter and take shorter showers and don’t waste water and eat right food and don’t smoke or drink and don’t sell guns and don’t be a bad person”…phew. I say “f**k you…shutup…..and die….” And then pull the trigger of a DB9 that is in your fucking mouth. All you fucking people with your set standards and shit, like you have to go to college and be smart and shit, and you have to have a job and pay taxes, blah blah fucking blah, shutup and CIE!! I really don’t give a good god damn about what you think is right and what is wrong and what is acceptable and what isn’t nice, I just don’t fucking CARE! SHUTUP AND DIE!!!!!
Hello everyone. These are the words of wisdom from REE.

This page explains the various things in the world that annoy the SHIT out of me. God I just LOVE freedom of speech. Keep in mind that these are just my point of views, and may or may not reflect on anyone else. I do swear a lot in this page, so suck off if you're a pussy who can't handle a little god damn bad language, heeeehhee. And how to get started:

YOU KNOW WHAT I HATE??

--When im walking around in a mall and there is this SLOW AS SHIT person walking in front of me! God damn it im trying to get somew here! So move it or loose it BITCHES!

The retard didn't press enter or any thing. He just waited. Then he started cursing at the computer saying it was screwed up. Then the freshman went and got a teacher and the fucking teacher could not figure out why it wasn't going anywhere geez!!! Personally I think they should be shot.

REBEL NEWS: Yo, this page will be getting some bigass changes soon. I'll be adding some new pages to it such as "New group names" and "Top 10 lists." Gonna have some cool shit, check it out, or ill blow you up. cause jos mamma..........is so fat.

Homework sucks.

Mother fucker blew BIG. Pazzie was a complete success and it blew dea fuck outs a little creek bed. Flipping thing was heart-pounding gut-wrenching brain-twitching ground-moving insanely cool! His brother's haven't found a target yet though.

Atlanta, Pholus, Pelfro, and Pazzie are complete, for those of you that don't know who they are, they are, they are the first 4 true pipe bombs created entirely from scratch by the rebels (RES and VoDKa). Atlanta and Pholus are each 1 1/4" by 6" pipes, Pelfro is 1" by 6", and Pazzie is 3/4" by 6". Each is packed with powder that we got from fountains, mortar shells, and cracking bottles. Each also has a #44" mortar shell type fuse. Now our only problem is to find the place that will be "ground zero." Me and VoDKa also have made 2 more noisy crickets.

God damnit! I'm sick of people saying "WICK" when talking about fireworks! Don't talkin' say anothuh talkin' WICK or it's gone to rip yer talkin' HAID off and YCU-nate down yo' talkin' neck!! ITS FUSE!!

Special thanks to Excelsiber, KiBiZz, <Picture>, VoDKa, Jester, and imaginos for helping me make this page happen.

Hey, the clan page is currently down. If you have a strong desire to learn about us, just mail me. Ill let y'all know when i decide to put the page back up. (so don't even try to click on dui little thingy below!)

This will not work with AOL3.0's browser because aol sucks to much.

Remember, these pages are viewed best with Netscape or Microsoft Internet Explorer. Not with AOL's browser. It sucks.

YOU KNOW WHAT I HATE??

---ASSHOLE THAT CUTS!! Why the fuck cant you wait like every other human on earth does. If you out, you are the following. Stood up, self centered, selfish, lazy, impatient, rude, and... damn I ran out. anyway. Every fucking line I get into end up having to wait a fucking hour when there WAS only me and 1 other person in the line! Then the queer sucking asshole lets all his/her so called friends cut in behind and if that happens 1 more time I will have to start referring to the Anarchists cookbook (bombo section).

YOU KNOW WHAT I REALLY HATE??

---LIARS!! OH GAWWWWWWWDD I HATE LIARS. And living in this fucking neighborhood there is thousands of them!! Why the fuck must people lie so damn much!! Especially about stupid things!!! Like "Yeah, I just bought 5 cases of M-80's in Oklahoma for about $5. And they are legal there and everything. Yeah my parents buy most of my guns, every once in a while I use my 4000 dollar paycheck and buy a shotgun or 2. And my brand new hammer just broke down on the highway when I was going 250mph. Stupid cars." like that, now what fucking part if any would a normal human being believe? And thats JUST one person!! Another BIG example is Brook Brown(303-377-0900) Now, according to him, he has a 2150, 5 other houses (2 in alaska, and 3 in Florida), 95mph fast boat (he is only 18), runs a mile in about 5 minutes, has an uncle thats the former head of all the armed forces and has access to.... Thats Button.... his other uncle is a multi-millionaire that lives in downtown detroit, and his neighbors are the chick that sang "I'm a p.e.o.t." and the lead singer of Aereonath. And that same uncle owns 30% of the stock of that tylenol company. And his grandparents give (GIVE = hell about 1000 dollars for each month, and his other Grandpa can blow up every house in America because all the houses have C-4 in the foundations. Again, according to Brook Brown. OK, when people lie like that, its not impressive, noone believes it. It sounds just plain stupid, and its a fucun waste of my time.

Philosophy:

My belief is that if I say something, it goes. I am the law, if you don't like it, you die.
If I don't like you or I don't like what you want me to do, you die.
If I do something incorrect, oh fucking well, you die. Dead people cant do many things, like argue, whine,
bitch, complain, narc, rat out, criticize, or even fucking talk. So thats the only way to solve arguments with all you fuckheads out there, I just kill! God I cant wait till I can kill you people. Ill just go to some downtown area in some big ass city and blow up and shoot everything I can. Feel no remorse, no sense of shame. ICH SAGE FICKT DU! Well all you people out there can just kiss my ass and die. From now on, I don't give a fuck what almost any of you mutha fuckas have to say, unless I respect you which is highly unlikely. But for those of you who happen to know me and know that I respect you, may peace be with you and don't be in my line of fire. For the rest of you, you all better fucking hide in your houses because I'm comin' for EVERYONE soon, and I WILL be armed to the fuckin' teeth and I WILL shoot to kill and I WILL fucking KILL EVERYTHING! No I am not crazy, crazy is just a word, to me it has no meaning, everyone is different, but most of you fuckheads out there in society, going to your everyday fucking jobs and doing your everyday routine shitty things, I say fuck you and die. On 11-11-98 at about 2:00 PM while I was assigned to the desk I contacted (W) Brown the mother of (N) Brown. She said her son (N) Brown received another e-mail from an unknown sender saying "I know your an enemy of yours. I know where you live. And what cars you drive. He then tried to reply to the sender but the sender was unknown. He accidently erased the message before he told (W) Brown or printed it. They are very concerned and requested an extra patrol for the night.

INVESTIGATION

On 4-24-99, I opened item #200 from the JCSO evidence vault. Inside item #200 is a Sony 8mm video camera with serial #74415. The camera was engraved on the side “Columbine High School.” The battery was not attached to the camera. Using gloved hands I attached the battery and removed the tape from within the camera, using the eject button. The battery was engraved “CHS LMC”. The tape had a hand written label, “Top Secret Rampart.” FBI Special Agents John Elvig and Jeff Diehl viewed the video tape with me.

The tape begins with Eric Harris utilizing the video camera and video taping Dylan Klebold. On the floor are laid out numerous pipe bombs, to include three Harris describes as the “Charlie Batch” and states they are two inches in diameter and six inches in length; six which appear to be about one inch in diameter and about six inches in length; and twelve which appear to be about one and one half inches in diameter and about six inches in length. All of these pipe bombs are wrapped in duct tape. Also on the floor is a sawed off shotgun which Harris refers to as “Ariene.” While Harris is video taping the shotgun, it appears that “Ariene” is etched into the side of the gun. Also, on the floor is a black long gun which he refers to as a carbine. Thirteen clips are observed on the floor. Harris specifically states that they were from Green Mountain Guns and states, “Yes they did have the right number.” Also observed on the floor are two boxes of what appear to be 9mm bullets. Harris points out “My bandolier of stuff,” and states it will be filled with “napalm.” Also on the floor is a black plastic box which is filled with duct taped items Harris describes as twenty-nine “crickets,” and states they are his grenades. Harris then gives the camera to Klebold who video tapes Harris holding some of the guns. The tape then stops and starts again with Harris wearing black BDUs, no shirt and a web type harness, carrying the 9mm carbine attached to a sling, holding the shotgun. At one point Harris places the shotgun into one of the cargo pockets, and then with a web strap secures it, so that it is at his side. Klebold makes a comment about Harris as a “soon to be eighteen year old.” This would place the filming of this portion as occurring prior to April 9th. Both of the guns Harris refers to as a carbine and “Ariene” appear to be the same guns which were collected at the scene at Columbine High School. At one point you can hear Klebold refer to “my Tec,” and states he wants to do something with it “this weekend, maybe tomorrow.” At the same time Klebold says, “My parents are going to fucking Passover,” which would place the filming of this tape prior to 4-1-99.

JC- 001-010374

Page 1
of 10
Klebold moves from filming Harris in his lower level family room of his parents residence at [redacted] Street, to filming inside Eric Harris's bedroom. I recognize the rooms inside this residence as I executed a search warrant at that residence on 4-20-99. Klebold films the west window inside Harris' room, and calls it a "bunker" and says, "You can't see it, it's buried there."

Then he says, "That's why it's called a bunker."

The camera is stopped and restarted again. During the next portion of the film Eric Harris is alone inside of a moving car. Harris is the driver. The camera seems to be recording him from the dashboard. It is dark outside, during this portion of the tape and it appears there are raindrops on the window of the car. At one point you see a street sign that says "Federal." There is music playing in the car which is fairly loud. As a result it is difficult to understand what Harris is saying at times. At one point he references the "Black Jack Crew" and specifically mentions "Jason" and "Chris." Harris says, "You guys are very cool." He also says, "Sorry dudes, I had to do, what I had to do." Harris also mentions, "Angel," "Phil," and "Bob." Harris says that "Bob is one of the coolest guys I've ever met in my life, except for being an alcoholic." Harris also says he's going to miss Bob.

At one point Harris states, "It is a weird feeling knowing you're going to be dead in 2 ½ weeks." Harris also mentions not being able to decide "if we should do it before or after prom." At the end of this portion of this video tape Harris mentions, wishing he could have re-visited Michigan and "old friends." At this point he becomes silent and appears to start crying and appears to wipe a tear from the left side of his face. At this point he reaches over towards the camera and it is shut off.

When the video tape resumes it appears that Eric Harris is now holding the camera while he video tapes Dylan Klebold. This is occurring within Dylan Klebold's bedroom, at his parents residence at [redacted] Road. This residence is also known to me as I executed a search warrant at that residence on 4-21-99. Klebold appears to be wearing black BDU's, a black t-shirt with "Wrath" in red print across the front. Klebold is attaching something to his pants which appears to be suspenders, black in color. Klebold also attaches some sort of ammo type pouch to his belt or suspenders, which is tan in color, and also a green canvas looking pouch to his right shin. Klebold removes some of the items from an open case on the floor. This appears to be either a small suitcase or hard sided briefcase. Klebold takes a sawed off shotgun and places it into a cargo pocket on his pants and then attaches it with webbing so that it stays in place. Klebold has what appears to be the Tec 9 (which was removed from him at the crime scene) on a sling, over his shoulder. Klebold makes some comment about his "50 round clip," Klebold also...
mentioned Brandon Larson and his head being on his knife. Klebold mentions “Robyn” and going to prom with her. Klebold states he didn’t want to go. Then also states, his parents are paying for it. Harris makes a comment about having three bags to use. They also talk about wanting to “practice” the next couple of nights. Harris mentions that they got “lasers and more propane today.” He also mentions four big black containers and two of some sort of other fuel, the type of which is inaudible.

Klebold and Harris begin talking about writing poems in “Kelly’s class today,” and how ridiculous it was.

They then begin talking about the double barrel shotgun. Klebold says, “Thank’s Mr. Steven’s.” Klebold then begins telling Harris, “He knew I was fucking buying it.” Klebold is getting dressed and he puts on his long black trench coat and says, “I’m fat on this side,” and then begins talking about how he looks “fat with all the stuff on.” Klebold tries to toss the Tec 9 into his hand from the position where it was hanging on the sling. The coat prohibited him from doing that. Klebold then says, “I’ll have to take the coat off.” He then begins complaining about how he doesn’t want to take his coat off and states he likes his coat.

They then begin discussing the “fucking snow is gay” in relation to the weather outside saying that they “hope the shit clears out by Tuesday, actually Sunday.” Harris states that he “needs dry weather for my fires.”

The video tape is then again shut off and re-started. This time the recording is in the family room on the main level of the Harris residence, on [ ], Again, I recognize the room as I conducted the search warrant on 4-20-99. Harris is filming and states, “Say it now.” Klebold states, “Hey mom. Gotta go. It’s about half an hour before our little judgement day. I just wanted to apologize to you guys for any crap this might instigate as far as (inaudible) or something. Just know I’m going to a better place than here. I didn’t like life too much and I know I’ll be happier wherever the fuck I go. So I’m gone. Good-bye. Reb.” Klebold then takes the camera and is filming Harris. Harris states, “Yea...Everyone I love I’m really sorry about all this. I know my mom and dad will be just like just fucking shocked beyond belief. I’m sorry alright. I can’t help it.” Klebold then interjects, “We did what we had to do.” Harris then resumes, “Morris, Nate if you guys live I want you guys to have whatever you want from my room and the computer room.” Klebold then states they can also have his possessions. Harris then continues, “Susan sorry. Under different circumstances it would’ve been a lot different. I want you to have that fly cd.” Both then say “Good-bye”.

During this portion Klebold is wearing a black baseball style hat backwards, with a “B” outlined in white on the back of the hat.
Klebold has a plaid shirt, which appears to be either black or dark blue with white. The shirt is untucked. He is wearing black BDU type pants tucked into military style lace-up boots. Harris is also wearing a plaid shirt which appears to be black or dark blue with white. It appears there is a white t-shirt under the plaid shirt. The lower portion of Harris' body is not visible. Also on the floor are briefly visible several bags. One appears to be a large maroon bag.

Two copies were made of the 8mm tape taken from evidence item #200, by myself and Special Agent John Elvig. A copy was locked in my desk drawer. A copy was given to Special FBI Agent Jeff Diehl to transport to the command post for this incident. I booked the 8mm tape which I removed from item #200 back into the evidence vault as item #333.

I removed item #265 from the JCSO evidence vault and opened it and Special Agent Elvig and I viewed the 8mm tape. This tape is also Dylan Klebold and Eric Harris in the basement family room at the Harris residence at [redacted] Street. Harris is sitting on a couch and Klebold is sitting on an adjacent chair. The majority of the tape is taken from that position while Klebold and Harris discuss a number of different topics.

Harris and Klebold say, "Thanks to Mark John Doe, and Phil John Doe." They then go on to say, "We used them, they had no clue, if it hadn't been them, it would have been someone else over 21."

They go on to talk about Green Mountain Guns and the fact that Green Mountain Guns left a message on Harris' answering machine saying, "Your clips are in." Harris and Klebold laugh about it, and then discuss it as almost having ruined their plan.

They talk about Brandon Larson, discussing, "You will find his body." Klebold and Harris discuss bombs and make reference to "two bags" of "propane and napalm" sitting quietly. They begin discussing the shotgun and "Mr. Stevens."

Harris and Klebold say, "We're proving ourselves." They go on to discuss philosophies. Harris states he is not spending time with his family, so there won't be any "bonding" and "this won't be harder to do." Harris states, "I'm sorry I have so much rage, but you put it on me." Harris goes on to complain about his father and the fact that they had to move five times, and that Harris..."
was always the new kid in school, and always at the bottom of the “food chain”, and had no chance to earn any respect. Harris is wearing a black t-shirt with “Wilder Wein” on the front, and Harris references his shirt several times, but does not explain what it means.

Klebold says, “Fuck you Walsh.” They go on to reference “Walsh” patrolling in Deer Creek. Deputy Tim Walsh of the JCSO, does primarily work the districts on the south end of Jefferson County.

At one point Klebold and Harris make some comments about there being a “month and a half left.” They again reference Green Mountain Guns and the message left on the answering machine, “Your clips are in.” Harris goes on to talk about one of the times they went shooting in the mountains. Harris says his shotgun was in his “terrorist bag sticking out.” Harris said he walked by his mother, but she only thought it was his pellet gun. Harris and Klebold go on to discuss several individuals. They make a comment reference a “Dustin Harris” or “Dustin Harrison,” and they say, “Everything you say is pointless.” They then make reference to “Nick” and say that “he laughs too much.” Harris then makes some comment about “[redacted] and [redacted]” and says they are “Christianic bitches.” Harris makes a reference to “shooting them in the head.” Harris and Klebold then decide to video tape a tour of “Rob’s room” and all the “illegal shit.” They then stand up from where they had been sitting and take the camera and begin video taping Eric Harris’ lower level bedroom. Harris discusses “Arlene” and talks about it being a 12 gauge Savage shotgun. They make a comment reference, “Thank’s to the gun show, and to Robyn,” and then they state, “Robyn is very cool.” During this time frame they were sitting on the couch and the chair, and they were drinking from what appeared to be a Jack Daniel’s whiskey bottle. Harris references the fact that he has the whiskey bottle. They began video taping a desk with a hutch, in Harris’s bedroom. Harris points out a pair of gloves which he states he took from a doctor’s office, which he uses for “making bombs.” He points to numerous packages of fireworks which were on top of a speaker, also on top of the hutch. Harris points out a pop can with several shots through it and numerous shotgun shells which were sitting on the hutch. Harris points to a small “black treasure chest” and says it is a “good hiding place.” Harris also points out a small bullet and references it to being his “first bullet.” Harris also points out solar igniters, batteries, clocks, and pipes, in a drawer, as well as engines. Harris also pulls out “completed pipe bombs” which he describes as such, from a Home Base bag in one of the desk drawers. Harris then pulls out another Home Base bag which was in one of the drawers in the desk, and points to more pipe bombs and describes them as the “Beta batch.” Klebold then discusses a “bunker.” He attempts to video tape out the west window of Harris’ room, although
it appears to be dark outside and you cannot see anything other than the glare on the window. Klebold states there is a patch of ground, where it is buried under the dirt. Harris states there are “four mortar grenades, ten crickets, and three alfa’s” Harris then points to a blue spiral notebook which he describes as his “journal.” Also in the desk drawer are two “future bombs” as described by Harris and Klebold, which are clocks. They show a box of “crickets” which appear to be small CO2 cartridges. They then began video taping a dresser on the west wall of Harris’ room. He opens up a door and points out a “Hell dog drawing” which is taped to the inside of that door, and references it having been given to him years ago. Next to it is a piece of paper which I recognize as an “Anarchist substitute ingredient list” which I took during the search warrant on 4-20-99 Harris also describes a “25 pound bag of #8 buckshot” which is inside that dresser, but it doesn’t show up on the video tape. Harris then pulls out a box for a BB rifle, from what he describes as a hall closet. He states that is where he keeps his shotgun. He then pulls a box from within the closet, within his room, and states that this is his knife and pulls it out and states that he paid $15 for it. The knife is in a black sheath. He then states there is a “Swastika” on it. The camera zooms in where you can see what appears to be a Swastika carved into the sheath.

On the east wall of Harris’ room, adjacent to a bedroom door, they point out a coil of green wire type material hanging on a wall and describe it as “50 feet of cannon fuse.” They then go to a book case also on the east wall of Harris’ bedroom. From there they talk about a “Demon Knight” CD, and open the case, revealing a Green Mountain Guns receipt where they purchased “nine magazines” for $15 each. Harris then removes a rack of CD’s to reveal three pipe bombs which he describes as the “biggest.” Harris then pulls out a small black card file type box and opens it and inside is what appears to be CO2 cartridge bombs which he describes as “28 crackers.” Harris then points to an area which you cannot see and states there is a “coffee can in the corner which is full of gun powder.” They then video tape a black plastic box that has etched into the side of it, “explosives.” This was on the north wall of Harris’ bedroom on the floor. Klebold goes on to discuss how Harris’ parents took it away. Harris then clarifies they only took the bomb out of it and left him with the box. Inside they video tape clock parts, fuses, too, and CO2 cartridges. They also video tape a white plastic file case which has “nails for pipe bombs, caps to be filled with gun powder” two boxes containing, 50 each, 9mm bullets, 12 shotgun shells in a box, another box of shotgun shells, clips for a gun, and webbing. Harris then says, “What you will find on my body in April.”

JC-001-010379
The tape is then shut off, and started again at which point Harris and Klebold are again in the lower level family room of Harris' residence. They state it is now “March 18th, in the middle of the night.” They begin discussing “Echo and Delta” pipe bombs and whether or not they should put nails on them or not. They then begin discussing that “Religions are gay,” and for “people who are weak and can’t deal with life.”

They state that they need to discuss secondary objectives to place the bombs, places that are “out of the way.” Klebold then begins discussing a trail by Wadsworth, “by your old house.” According to the in-house computer Eric Harris previously lived at 7844 South Teiller Court. They then begin discussing that they should “rig something up with a trip bomb between two trees, so when someone goes down the path it will go off.” Klebold and Harris then discuss the possibility of placing “time bombs down there.” They then discuss it would be “harder and take more resources.” Harris and Klebold then say “This will add a few frags to the list,” and that the “fucking fire department is going to be busy for a month.”

Klebold and Harris then begin discussing an individual by the name of “[redacted].” They then say the name “[redacted].” Harris then describes how he is going to “shoot [redacted] in the groin area.” They then mention the name “Jesse Gordon” and the “Goof Troop.” Harris and Klebold then begin discussing that “Nigger stopped us that day,” and how black people talk in “Ebonics.” They then discuss “Spies.” They then discuss bowling, and how each individual in the bowling class has a designated culture group to use as a target on the bowling pins to kill and that this assists them in bowling better. Harris and Klebold discuss, “World Peace is an impossible thing.” They also then discuss that you can look on the Internet and learn how to make, “bombs, poison, napalm, and how to buy guns if you’re underage.” They then discussed that “Mrs. X-Y-Z bought our guns.”

Harris and Klebold discuss that there is “only two weeks left, and one more weekend” and that “it is coming up fucking quick.” They state that the “napalm better not freeze at that certain person’s house.” They discuss “Chris pizza’s house” as if they’re trying to disguise a name. They then go on to discuss “Yoshi” in a negative fashion. They say that they need a “lot more napalm” and may just use “gas and oil.” They then discuss that it will be tough and opening the zipper may make it go off, and needing some “back-ups.” They discuss the sprinkler system may “put out a fire.” Harris discusses, he should possibly keep the battery out of the device, set the bag, put it in and leave so it doesn’t “blow up in the commons.”

JC-001-010380
They then begin discussing "credit card fraud" and Harris then raises his hand as if he had done it. They then begin discussing "tests" stating, "We wouldn't be where we are without them." They then discuss gas and oil and it being "one half of a mental picture." They then discuss the possibility of people catching on fire. Harris and Klebold discuss graduation and how it will be a "graduation memorial service with lots of people crying." They also discuss that there will probably be a candle light memorial.

Harris states that he's got "100 bullets and 10 loaded clips," and that he needs lasers for his carbine. They then address the camera and say, "You guys are lucky it doesn't hold more ammo." Klebold then begins discussing that he has a "50 round clip, two 35's, and a 24."

Harris and Klebold begin discussing, "There is a lot of shit to do." They state they need to set up more "propane bombs" and get more containers. Klebold interjects he needs to get his pants, fill his clip and get his pouches to load his shells in. They discuss they need "devices" for the "propane tanks." They state they need more "bomb holders." Harris then begins discussing that they need to go to Radio Shack because he heard there is a "thing to increase the voltage," it some how increases through a clock and speaker, and ignites a solar ignitor. Harris said, he will tell the people he is doing special effects for a movie and "that will be a good excuse."

They state, "We are but we aren't psycho." Klebold asked Harris if he thinks the cops will listen to the whole video. They then discuss that they believe that the video will be cut up into little pieces, and the police will just show the public what they want it to look like. Harris and Klebold discuss the fact that they want to distribute the videos to four news stations, and that Harris is going to scan his journal and then send copies by E-mail, and distribute blue prints and maps. Harris then begins discussing "Tier" and describes it as "My life's work" and wanting to get it "published." I recognized this term from some of the direction type booklets for the video game "Doom", which were taken by myself from Harris' room during the search warrant.

The 8mm tape from evidence item #265 was copied. The original was re-submitted to evidence by me and the copy secured in my desk.

JC-001-010381
I then removed item #298 from JCSO evidence, two 8mm tapes. One of those tapes is marked "Reb's Tape." It begins with Eric Harris in the driver's seat and another male in the passenger's seat. The voice appears to be that of Dylan Klebold. They state, "We are on our way to get the rest of our gear." They state it is now "Monday, April 11th." Klebold states he has "$200 dollars on him." Harris states that he is going to "cash a check for $50." Klebold states that they have been "planning this for over eight months." Harris says, "At least." While they are filming this portion of the tape they are in a car during daylight hours. They pass an intersection which is known to me to be to be "Sante Fe and Mineral."

The camera is turned off and then back on again. The next scene again, is still daylight hours. The street outside I can identify as being Broadway, north of Hampden. Harris is again the driver. They are stopped at a stop light or stop sign on the east side of Broadway. Harris is now smoking a large cigar and states it is his "birthday cigar." Harris' birthday is in fact April 9th. They state they have just purchased two rather large fuel containers, three propane bottles, and Klebold also states he got his pants. The camera is then shut off again.

The camera is turned on again. Harris appears to be alone with the video camera resting either on his knee or somewhere else, and filming directly at his face. Behind him I can see his headboard which I recognize from the search warrant at the residence on 4-20-99, as well as a bulletin board behind the headboard. Harris begins discussing his mother and father and the cops who may want to have his "parents pay". Harris describes his parents as the "best parents" and states that anything they would have tried to do this past year he would have gotten around it. Harris states, "There is no one else to blame but me and Vodka." Harris then states it's been "hard" on him recently. He states his parents have been on his "back for putting things off" such as "insurance, and the Marine Corp." He then discusses, "this is my last week on earth."

Harris says, "To you 'Culios' out there still alive, sorry I hurt you or your friends." He also discusses this is total, "KMFDM." Harris states, "There are 7 and 1/3 days left." Harris then gets an "odd" look on his face and says, "Fucking bitches." He then begins to list names: "[Blurred names]" Harris states he is going to be "One tired mother fucker come Monday, and then Boom!" Harris stated, "I'll get shot and die."

Harris goes on to film his planning book and describes it as the “Writings of God.” He discusses that his beliefs have changed somewhat during the year, over the course of time he has been writing. When he turns to the page where there are figurines drawn with ammo, bombs, and guns, labeled on their persons, he states it is the “drawing of gear, back when we thought we could get calico’s.” He points to a picture with two, what appear to be a backpacks, labeled “napalm.” He states this is the “suicide plan.” He then discusses the page which appears to be inventories of bombs. He points to the top of that page and states that these are how many bullets they’re going to have. Harris points to some of the drawings in the back and states they are “doom drawings.” He points to some other pages which have different drawings, including different types of weapons and states that these are “plans for rocket launchers and such. Most will not see the new world.” He then points to more drawings closer to the back of the notebook and states that these are “doom drawings” with a “KMFDM twist to them.”

I viewed a second 8mm tape from evidence item #298. This appears to be a tape possibly made for a school project by Klebold and Harris. Klebold and Harris are visible in the tape as well as two other individuals, identified on the tape as “Browsky” and “Tex.” These items were booked back into the evidence vault. The tape marked “Reb” from item #298 was copied. The original was placed back into evidence vault and the copy secured in my desk.
