PERRY, KEN
On 04-26-92 at approximately 1200 hours I responded to 5, Wedsworth Blvd. between W. KenCarr and W. Cliftfield on a report of a bomb that had exploded. I contacted Agent Hoover, Technical Wayne Belohlavy of Arapahoe County S.O., and Fire Investigator Bill Mollard of US Metro Fire Dist., what appeared to have been a bomb had exploded near a fence on the east side of S. Wedsworth. Personnel on-scene conducted an area search of the immediate area for any other possible explosives. None were found.

Agent Hoover and I remained on-scene until 1530 hours to help secure the scene while we waited for someone from the Jefferson County S.O. to process the scene. At that time Jeff Co. had not arrived and the scene was left in the custody of Technical Belohlavy and Fire Investigator Mollard.
ROSE, M (LWPD)
Narrative: On 04/20/99 at approximately 1500 hours I was dispatched to Columbine High School to deliver fresh radio batteries that I had retrieved from various sergeants’ radios at the station. I arrived at 1506 hours and distributed the batteries to various perimeter units. At that time I relieved Sergeant Nate Miller who was on scene from the original Watch I response to the call. Sergeant Heffner was also on scene. Our responsibilities included maintaining a perimeter north and west of the school in Clement Park.

Shortly after 1900 hours, I was contacted by Agent Toby Maez who had been given a letter by a citizen named Robert Wallace. Mr. Wallace said he found a sealed letter near 7505 W. Colfax Ave and after reading its contents called LPD. Agent Maez felt it might be relevant to the investigation at the school. I instructed him to book the original (preserved for prints) into our property unit and to have someone transport a copy to me at Clement Park. A second copy was provided by me to John Kickbusch at Clement Park.

Upon examining the letter is was found to be addressed to:

The Most Beautiful Woman in Albany
Ms. Bree Rossevna Edwards
P.O. Box 154
Albany, N.Y. 12202

The return address was:

Alex Manindrovich Bhagat
7 Wilbur St.
Albany, N.Y. 12202

The first page of the letter is dated “Monday 4/19”. The letter seems to be a travelog at the beginning but on the bottom of page three the writer mentions “Liberal Girl” saying she is from Mount Vernon, N.Y. and is a 10th grader. The letter says that “She’s leading a meeting here about school shootings, and leading the Peace Activation Group going to Columbine High School.” The letter goes on to mention that “We might get some national broadcasting out of this, which is great”. Later, the writer says that “Liberal girl was quite impressive. I told her she’ll definitely get on national TV. Then she started talking repeatedly about people being made aware.” “Made aware of what exactly?” “Of school shootings”. The writer had knowledge that “these kids had bullet-proof body armor and uzi semi-automatic weapons and it was their parents.” The letter is signed “I love you, Alex”.

At approximately 2200 hours on 4/20/99 I responded to Leewood Elementary School at the request of the Joc S.O. I contacted Lt. John Dunow and Dep. Warren (J.L. Warren?). Information was related to me that had been obtained from an interview with an associate of the two deceased suspects. According to the individual being interviewed, several other subjects were involved with the planning and execution of the shootings at Columbine High School. He further related that the group had planned on committing similar shootings on 4/21 at Bear Creek High School and Chatfield High School. During my conversations with Dunow and Warren I mentioned the letter that had been found and I asked them to question their
informant about its contents. Deputy Warren returned a short while later and stated that the subject had seen it before. I am not certain at this point if he meant the subject had seen the actual letter or just the various phrases within the letter. The informant had pointed out poems, a quote from WW II, and terminology used in a movie entitled "6 Things To Do in Denver When You're Dead". According to Deputy Warren, the informant indicated to him that Alex was a student and that Eric Harris or one other subject in the group, whose name I do not recall, had "helped" her write the letter.

Warren went on to say that "Liberal Girl" referred to in the letter was Alex according to the informant. As mentioned earlier, the letter referred to liberal girl being on national TV. In the press coverage of the shootings by the Rocky Mountain News, they interviewed a female student named Alejandra "Alex" Marsh who is 16 years of age, which would be consistent with "liberal girl" being referred to in the letter as a 10th grader. The article is on pages 16A-18A of the 4/21/99 issue. Marsh is quoted as saying she saw someone she knew with a shotgun and that he was more than capable of doing this. She is further quoted as saying "He had spoken of doing something like this, but in an almost jesting kind of way". I have also seen this Alex Marsh on television segments aired by the media. All of this may be consistent with the "national broadcasting" referred to in the letter and the mentioning of liberal girl being on TV.

Q. 4/22/99 I checked with directory assistance and found that the return address on the letter is a valid address listed to Alexis Bhagat with a telephone number of 1-518-427-7249. On checking for a Bree Edwards, to whom the letter was addressed, directory assistance found only one B. Edwards listed in Albany. That person was listed at 243 Elm St. with a telephone number of 1-518-434-4308. I have made no attempt to call these numbers or otherwise contact the residents.

(There is the possibility that this letter may have been written over a two day period, as there is a line across page 3 about 3/4 of the way down. That may account for some of the knowledge of body armor and uzi's mentioned in the narrative.)
INVESTIGATION:
ON 04/26/99 AT APPROX 1300 HRS DETECTIVE MCGLYNN AND I RESPONDED TO THE AREA OF COLUMBINE HIGH SCHOOL IN REFERENCE TO A MULTIPLE SHOOTING AT THE SCHOOL. UPON OUR ARRIVAL WE WERE DIRECTED TO RESPOND TO SWEDISH HOSPITAL TO INTERVIEW VICTIMS WHO WERE BEING TRANSPORTED TO THE HOSPITAL FOR TREATMENT OF THEIR INJURIES. WHILE ENROUTE TO SWEDISH HOSPITAL WE WERE ADVISED THAT WE WERE TO RESPOND, INSTEAD, TO LITTLETON HOSPITAL. WE ARRIVED AT LITTLETON HOSPITAL AT APPROX 1300 HRS AND MET DETECTIVE GREENWELL THERE.

DETECTIVE MCGLYNN AND I FIRST SPOKE TO V-DANIEL STEEPLETON. STEEPLETON HAD AN APPARENT GUNSHOT WOUND TO HIS LEFT KNEE. SEE REPORT BY DETECTIVE MCGLYNN FOR DETAILS OF THE INTERVIEW. STEEPLETON'S CLOTHES WERE COLLECTED BY ME AND DETECTIVE MCGLYNN, AND WERE LATER BOOKED AT LPD.

I NEXT SPOKE TO V-MAKAI HALL. MY CONVERSATION WITH HALL WAS VERY LIMITED DUE TO HIS INJURIES AND THE FACT THAT HE WAS BEING READYED TO BE AIRLIFTED TO ST. ANTHONY'S HOSPITAL. V-HALL SUFFERED APPARENT GUNSHOT WOUNDS TO HIS NECK AND RIGHT KNEE.

JC-001-009112
V-HALL TOLD ME THAT HE OBSERVED TWO SUSPECTS. ONE SUSPECT WAS IDENTIFIED AS DILLON (LAST UNK). THE SECOND MALE WAS UNKNOWN TO V-HALL. V-HALL INDICATED THAT THE SUSPECTS WERE ARMED WITH SHOTGUNS, AN "UZI", POSSIBLE PISTOLS, AND "SCOMBS". V-HALL WAS UNABLE TO TELL ME ANYMORE, AND WILL NEED TO BE RE-INTERVIEWED.

I COLLECTED V-HALL'S CLOTHING AND BOOKED IT AS EVIDENCE AT LPD.

AT APPROX 1430 HRS I COLLECTED THE CLOTHING FROM VICTIM JENNIFER DOYLE. DOYLE WAS BEING TREATED FOR AN APPARENT GUNSHOT WOUND TO HER RIGHT HAND. V-DOYLE WAS INTERVIEWED BY DETECTIVE GREENWELL. I LATER BOOKED V-DOYLE'S CLOTHING INTO THE LPD PROPER UNIT AS EVIDENCE.

AT APPROX 1440 HRS VICTIM JOYCE JANKOWSKI ARRIVED AT THE HOSPITAL. V-JANKOWSKI IS A TEACHER AT COLUMBINE HIGH SCHOOL. JANKOWSKI HAD AN INJURY TO HER LEFT KNEE AND ABRASIONS TO HER BACK AFTER SHE FELL FROM THE CEILING IN THE TEACHER'S LOUNGE.

V-JANKOWSKI PROVIDED THE FOLLOWING INFORMATION. JANKOWSKI INDICATED THAT SHE FIRST BECAME AWARE OF A PROBLEM WHEN SHE WAS NOTIFIED OF SOME TYPE OF COMMOTION AND LOOKED OUT THE ONLY WINDOW IN THE LOUNGE. THE WINDOW FACES THE WEST. JANKOWSKI INDICATED THAT SHE OBSERVED TWO DOWNEO STUDENTS. SHE THEN HEARD SEVERAL POPS, LATER DETERMINED TO BE GUNSHOTS, AND SCREAMS FROM THE AREA OF THE WEST DOORS. JANKOWSKI STATED THAT SHE HEARD SEVERAL GUNSHOTS AND SCREAMS FROM THE CAFETERIA. SHE STATED THAT SHE HID IN THE FACULTY ROOM BATHROOM WITH THREE OTHER ADULTS AND THREE STUDENTS. THEY LOCKED THE DOOR AND TURNED OUT THE LIGHTS.

JANKOWSKI DESCRIBED HEARING SEVERAL LOUD BANGS, LATER DETERMINED TO BE EXPLOSIONS, AND SEVERAL MORE GUNSHOTS. THERE WAS ONE VERY LOUD EXPLOSION AND THE LIGHTS WENT OFF. SHE STATED THAT SHE COULD SMELL NATURAL GAS. V-JANKOWSKI STATED THAT THEY COULD HEAR "METAL" BEING MOVED AROUND IN THE CAFETERIA, BUT THAT THEY COULDN'T HEAR ANY SCREAMING ANYMORE. V-JANKOWSKI DESCRIBED HEARING VOICES OF MORE THAN ONE PERSON OUTSIDE THE LOUNGE. SHE STATED THAT THEY THOUGHT IT WAS THE POLICE, BECAUSE THE VOICES SPOKE IN A CONTROLLED TONE WITH LITTLE EMOTION. JANKOWSKI STATED THAT THEY REALIZED IT WASN'T THE POLICE WHEN THEY LOOKED OUT THE WINDOW AND SAW THE POLICE FAR AWAY ON THE PERIMETER.

JANKOWSKI STATED THAT THEY KEPT HEARING SPORADIC EXPLOSIONS FROM WITHIN THE SCHOOL. SHE STATED THEY TRIED TO USE A PHONE IN THE FACULTY LOUNGE, BUT THAT IT WASN'T WORKING. JANKOWSKI STATED THAT SHE AND ANOTHER STUDENT, SEAN NAUSMAN, CLIMBED UP INTO THE FALSE CEILING FROM THE BATHROOM. JANKOWSKI FELL THROUGH THE CEILING INTO THE LOUNGE AND INJURED HERSELF. SHE STATED THAT THEY EVENTUALLY LEFT THE SCHOOL WHEN THEY FELT THEY WERE SAFE TO DO SO. JANKOWSKI STATED THAT SHE NEVER OBSERVED THE GUNMEN.

JANKOWSKI WAS VERY EMOTIONAL AND DIFFICULT TO FOLLOW, AT TIMES. A SECOND INTERVIEW, IF NEEDED, IS RECOMMENDED. JANKOWSKI'S INJURIES WERE PHOTOGRAPHED BY THE ARAPAHOE COUNTY SHERIFF'S OFFICE CRIME LAB.

DETECTIVE MCGLYNN AND I LATER BOOKED CLOTHING THAT WAS COLLECTED BY DETECTIVE GREENWELL. CLOTHING BELONGING TO AUSTIN (NO FURTHER), STEPHANIE MUNSON, AND PATTY NEILSON WAS BOOKED INTO THE LPD PROPERTY UNIT AS

JC-001-009113
ALL THE VICTIMS, EXCEPT STEEPLETON (IN SURGERY) AND HALL (TRANSPORTED TO ST. A'S), WHO WERE TREATED AT LITTLETON HOSPITAL HAD THERE INJURIES PHOTOGRAPHED BY THE ARAPAHOE COUNTY S.O. CRIME LAB. ARAPAHOE COUNTY DETECTIVES WERE ALSO ON SCENE AND ASSISTED WITH INTERVIEWS OF THE VICTIMS.

NO FURTHER INFORMATION AT THIS TIME.

SEE MCGLYNN'S REPORT FOR ADDITIONAL WITNESS INFORMATION.

INVESTIGATION:

On 04-20-99, Detective Hal Shucard and I were responding to the area of Columbine High School. We were requested by Sgt. Miller to respond to Swedish Hospital and interview victims of the shooting that had occurred at the school. Prior to our arrival at Swedish Hospital, we were diverted to Littleton Hospital. We arrived there at 1300 hours and were advised that three victims were currently in the emergency room.

Detective Greenwell was already on scene and was interviewing one of the victims, Stephanie Munson. Detective Shucard and I were directed to one of the emergency room care units where we met with Daniel Steepleton, DOB: 01-30-82. We observed that Steepleton’s clothing had already been cut off of him and that he suffered an injury on his left knee. Daniel Steepleton is a junior at Columbine High School.

Daniel Steepleton told us that he had been in the library at Columbine High School when he heard several loud bangs. He said that a teacher then came running into the library yelling, “they have guns”. Steepleton said that he then heard more shots. He said that all of the students either tried to run or hid under tables. He said that suspects then came into the library. They demanded that kids with white ball caps stand up. He said that he was then shot in the knee and fell to the ground. After he fell to the ground, he heard the students throwing, “bombs at people”. He said that he heard someone yell “get out” and he got up and ran out of the library.

Steepleton said that he knew the people involved, not by name, but by a gang they are associated with known as the "Trench coat Mafia". He said that one of the students that was shooting was Dylan. He described the two suspects as wearing long trench coats, with baseball caps on backwards. He said that he thought one had long hair. He said he believed he was shot from about a distance of 15 ft. and that he was shot with shotgun.

As Steepleton was taking cover in the library, he heard one of the suspects yell as they came in, "this is for the four years of bull sh!t we had to put up with". He said then one of them yelled, "everyone with a white hat stand up". He said that they were both shooting at people in the library and couldn’t identify the person that shot at him, but he thought it was Dylan.

Steepleton said that after he was shot, he had gone down and was laying down with his head down and he heard one of the suspects yell, "stand up nigger boy". Steepleton again said that he didn’t look up to see what was going on but then heard a gun shot. He then heard one of the suspects say, "I always wanted to do this" and then he heard them mention something about a knife. He didn’t look up to see what was going on. He said that
throughout the course of the time in the library, he heard the suspects yelling, "die... get on the floor".

Steepleton said that the weapons that he saw included a shotgun, some type of automatic or semi-automatic machine pistol, hand-made bombs that had a fuse and duck tape that needed to be lit before they were thrown at people, and both suspects were carrying backpacks, which he believed they were getting the bombs from. Daniel Steepleton's clothing was seized by the Lakewood Police Department. The injury to his knee turned out to be a shotgun blast and three pellets were removed during surgery and turned over to the Arapahoe County Criminalistics unit. No photos were taken of Mr. Steepleton because he was transported to surgery prior to the arrival of Arapahoe County Criminalistics.

Other students and faculty that were on scene at the hospital were identified as Jennifer Doyle, Nick Foss, Steven Eubanks, Makai Hall, Stephanie Munson, and Joyce Jankowski. Jennifer Doyle and Stephanie Munson were interviewed by Detective Mike Greewell. Makai Hall and Joyce Jankowski were interviewed by Detective Hal Shucard. The other victims were interviewed by representatives of Arapahoe County Sheriff's Department.

The recovered by the Lakewood Police Department and booked, came from Jennifer Doyle, Daniel Steepleton, Makai Hall, and Stephanie Munson. See Detectives Greenwell's and Shucard's reports for further information.

On 04/21/99 at approximately 0545 hours I was placed in a temporary stand by mode until it was determined exactly what procedures would be followed once the crime scene was completely cleared of explosive devices. While waiting I assisted other investigators with obtaining license numbers, VINs and descriptions of vehicles in the northeast parking lot. All these vehicles were given a cursory search for explosive devices, any vehicles of a suspicious nature or which contained items which could contain an explosive device were marked for later examination by bomb scene technicians.

Later in the day I was instructed to stage with a crew of detectives led by West Metro Drug Task Force Sergeant Ray Borris. Our assignment was the perimeter of the school which was examined for shell casings, bullet fragments, bomb debris etc. When a piece of evidence was located it was marked with a flag and the search continued. Areas covered in this search included the teachers parking lot, the area west of that lot circling around to the south to the area taped off and being handled by the FBI. This area would be immediately west of a set of double doors which contained considerable gunfire and bomb debris. Also included in this search was the grassy area immediately to the south and southeast of the school to include the parking lot immediately to the south of the school circling around to the southwest. License numbers, VINs and descriptions of all the vehicles in the parking lot were obtained. Also noted were any vehicles which sustained any type of projectile damage. The vehicle lists were given to Sgt. Borris.

At approximately 1705 hours Sgt. Ray Borris instructed me to assist a construction crew from Mortinson Construction Company with boarding up windows in the library and cafeteria and the entrance to the west side of the building. Mortinson Construction is located at 1875 Lawrence St. Denver, CO, 303-295-2511. On scene from Mortinson Construction were the following personnel:

1. Supervisor, Matt Johnson
2. Monty WIch
3. David Gyles

LAKewood POLICE DEPARTMENT SUPPLEMENTAL REPORT
REPORTING AGENT: QUINN WILHELM
VICTIMS: ASSIST OTHER AGENCY

CASE NUMBER: 99-38856
DATE OF REPORT: 04/23/99

VICTIMS: The following victims were either at St. Anthony's Hospital or were brought to St. Anthony's Hospital during the time frame I was there.

1. Michael Johnson, 05/19/63
   Victim Johnson suffered from a gunshot wound in the upper left thigh. The wound had both an entrance and exit. A second gunshot wound or shrapnel injury in the left neck, the wound had an entrance although it's exit was not clearly visible at the time of his brief examination. Johnson also suffered shrapnel wounds in the face and neck and a third gunshot wound which also had an entrance and an exit in the right upper arm. The initial examining physician was Dr. William Tripp, the surgeon treating Johnson was Dr. Craig Selzman. Dr. Selzman indicated the more "minor" injuries were cleaned and were given temporary stabilization treatment, the main wound in the upper left thigh "blew out" his femoral artery and femoral vein. Both these injuries were repaired. At this point in time speculation by Dr. Selzman concerning the condition of the nerve damage to the upper left leg was inconclusive.

2. Kacey Ruegsegger, 03/29/82
   Injuries included a gunshot wound to the upper right shoulder above the collar bone with both and entrance and an exit. The exit appeared to be considerably lower than the entrance and may have caused considerable damage in the shoulder area. A second gunshot wound was observed in the ball of the right hand at the base of the thumb traversing through the thumb and out the back of the thumb slightly above the wrist joint. I was able to obtain a statement from Ms. Ruegsegger while at St. Anthony's Hospital. See narrative portion of this report for additional details.

3. Makai Hall, unknown dob

Reporting Agent: Quinn Wilhelm
Victims: John Patrick Ireland, dob: 06/12/81
Offense: Assist Other Agency

Case Number: 99-38856
Date of Report: 04/23/99

Gunshot wound in one leg, pellet type injuries in the knee leg end of the femur with possible vascular damage. No additional information available at that time.

4. John Patrick Ireland, dob: 06/12/81

Victim Ireland suffered a gunshot wound to the head, was conscious at the time of his arrival at St. Anthony’s Hospital. Victim Ireland was able to give a statement to Denver Police Department Detective Joel Humphries, see his report for complete details.

Narrative:

On 04/20/99 at approximately 1410 hours I monitored radio traffic concerning a shooting situation which had occurred at Columbine High School in south Jefferson County. At the time I was traveling west bound on the 6th Avenue freeway from Denver. Radio traffic indicated victims from the shooting were being brought to area hospitals. I determined that I would go to St. Anthony's Hospital to see if I could be of any assistance. On scene at 1420 hours I contacted Detective Jim Nelson and Detective Susan Gaetano, from the Arvada Police Department. They informed me they had just arrived and that there were already three victims on scene and other victims were reported to be en route to St. Anthony's from the scene of the shooting. It was determined that the best course of action was for each of us to assume investigative duties for one of the victims on scene. I interviewed victim Kacey Ruegsegger.

I observed that Kacey had suffered a gunshot wound in the right shoulder above the collar bone which appeared to be an "in and out" injury. I also observed a second gunshot wound in her right hand at the base of the thumb, which was also an "in and out" injury. At the time of the interview Kacey was in a trauma room adjacent to the emergency room on a gurney, she was receiving oxygen and had received two separate injections of morphine for pain. She was crying and semi-hysterical during this time. I asked Kacey if she could tell me what had happened to her. She said that she was in the library when she heard gun shots. She did not know exactly what the noise was. Several moments later the librarian came running in and told them that someone had a gun.
and that they should get under the tables. Kacey said she got under a small table and pulled a chair in front of her. Kacey indicated that two gunmen were present in the library, however, she indicated that from her vantage point she could only see the legs of one gunman. She could not describe any of the clothing other than the gunman was wearing a black trench coat. I asked her how she knew there were two gunmen if she only see one. She said she could hear them yelling back and forth between them. She also indicated she heard explosions that were going off in the room at the time. Kacey indicated she was aware that the gunmen were walking around the library shooting other persons at random. She heard bits and pieces of conversations that were taking place between the two gunmen and between the gunmen and their victims. When I asked her to describe what she heard she indicated she heard one of the gunmen yell to the other, "Hey, I've got a niger boy over here, come on over." Then she heard the first gunman say again, "Hey niger boy you're dead", or words to that effect, and then she heard gun shots. Kacey said she knew the gunman had "shot the kid next to me" but she did not know who that victim was. She indicated that her position under the table was one where she was on her knees with the chair in front of her with her hands over her ears with her arms close against her chest. When a gunman appeared in front of her she began to scream for the gunman not to shoot her. The gunman jerked the chair away and from about five feet yelled at her "quit your bitching" and fired at her. She indicated that she felt the first shot hit her in the shoulder and she was not aware of the second shot to her hand. I asked Kacey how she got out of the library. She indicated that two people who she did not know picked her up and began trying to drag her out of the library, but at some point they began to get trampled and she was left. She did not recall how she got out of the library. She could only remember being in a police car at some point. The only person Kacey knew in the library by name was Dan Steepleton, the rest were unknown to her.

Several minutes after taking this statement I re-entered the trauma room with Detective Susan Gaetano, from the Arvada Police Department and we went over Kacey's statement with her again. Kacey was beginning to show the effects of the morphine injections and her answers were becoming less clear. At that point the attempt to obtain a statement from her was discontinued. Shortly after
that she was wheeled out of the room en route to surgery.

It was agreed that Arvada Detective Susan Gaetano would recover the property from this female victim.

Victim Michael Johnson was out of surgery by that time and I contacted Dr. Craig Selzman who described Johnson's injuries as indicated above. Clothing for victim Johnson was given to me by Arvada Detective Jim Nelson who indicated he had received it from an unknown medical technician while the victim was being examined by emergency room personnel.

I left the hospital about 1630 hours and attempted to contact the Jefferson County Sheriff's Department Communications Section to ascertain what should be done with the bloody closed seized from victim Johnson, they were not able to advise me due the chaotic circumstances. Following a telephone conversation with an unknown police officer from the Westminster Police Department who was at one of the command posts, I responded to the scene of the incident.

On scene at Columbine High School I was informed that I would be used for Crime Scene investigation and was told to stand by until further details became available and the scene was secured. At approximately 1915 hours I was instructed by Lt. Clarene Shelley to return to the Lakewood Police Department to book the evidence from victim Johnson into the Lakewood Police Evidence Unit.

At the Lakewood Police Department it was determined that the bloody clothing storage facility was already filled. It was determined that the best course of action was to use another locker in the parking garage. A plastic bag was placed in the bottom of the locker to catch blood that was dripping from the clothing at the time. The items were placed in the locker on hangers, unmarked, and the property reports were completed.

I responded back to Columbine High School where I stood by with other investigative personnel until approximately 2130 hours when I was informed that, due the numerous explosive devices which were still being located and removed, we would not be entering the building until the morning of 04/21/99. I was instructed by Randy West of the Jefferson County Sheriff's Department to return to the scene at 0600 on 04/21/99.
On 04/21/99 at approximately 0545 hours I was placed in a temporary stand by mode until it was determined exactly what procedures would be followed once the crime scene was completely cleared of explosive devices. WILSON, P.
OBSERVATION/INVESTIGATION:
ON TUESDAY 04/20/99 AT 1200 HOURS I WAS ON DUTY IN THE INVESTIGATIONS DIVISION OF THE LAKEWOOD POLICE DEPARTMENT. I WAS REQUESTED BY SERGEANT GEORGE HINKLE TO PREPARE FOR A MISSION AS A SWAT TEAM MEMBER.

I GATHERED MY GEAR, AND ACCOMPANIED DETECTIVE JOE WRAY IN A MARKED LAKEWOOD POLICE DEPARTMENT VEHICLE TO THE AREA JUST SOUTH OF COLUMBINE HIGH SCHOOL IN UNINCORPORATED JEFFERSON COUNTY.

MYSELF AND SEVERAL OTHERS FROM THE LAKEWOOD POLICE DEPARTMENT SWAT TEAM WERE THEN SENT TO THE NORTH WEST CORNER OF THE HIGH SCHOOL, WHERE WE MET UP WITH THE DENVER POLICE DEPARTMENT SWAT TEAM.

I WAS FIRST ASSIGNED TO PROVIDE COVER ON AN OPEN DOOR ON THE WEST SIDE OF THE SCHOOL. THIS COVER WAS REQUIRED FOR STUDENTS WHO WERE BEING EVACUATED OUT OF THE CAFETERIA AREA.

I WAS THEN ASSIGNED TO GO UP ONTO THE ROOF AND PROVIDE COVER WITH MY MP-5 SUB MACHINE GUN. AFTER ONLY A FEW MINUTES ON THE ROOF I WAS TOLD TO RETREAT.

I THEN STAGED NEAR A COMMAND POST JUST EAST OF THE SCHOOL. I WAS THEN SENT WITH THREE OTHER LAKEWOOD SWAT MEMBERS TO MEET UP WITH OTHER LAKEWOOD SWAT MEMBERS ON THE SOUTH SIDE OF THE SCHOOL.

ON THE SOUTH SIDE OF THE SCHOOL, I MET UP WITH THESE OTHER TEAM MEMBERS WHO WERE STATIONED BEHIND AN ARMORED CAR.

I WAS THEN ASSIGNED TO PROVIDE COVER WITH MY MP-5 SUB MACHINE GUN ON THE BACK OF THE ARMORED CAR AS WE RESCUED A MALE STUDENT FROM THE SECOND FLOOR SOUTH SIDE.

I THEN ENTERED THE SCHOOL ON THE LOWER SOUTH SIDE THROUGH THE CAFETERIA AND SECURED THAT AREA. I THEN ASSISTED IN SECURING A WING OF CLASSROOMS TO THE EAST OF THE CAFETERIA.

I THEN WENT TO THE SECOND LEVEL TO ASSIST THE DENVER SWAT TEAM THAT WAS CLEARING THAT AREA.

I NOTICED AN ADULT MALE VICTIM IN WHAT APPEARED TO BE AN AUDIO VISUAL TYPE ROOM JUST SOUTH OF THE STAIRS ON THE UPPER LEVEL. THIS MALE WAS DOA.
I THEN ENTERED THE LIBRARY AREA WHERE I SAW APPROXIMATELY 10 JUVENILE VICTIMS. I NOTICED NUMEROUS GUNSHOT WOUNDS. ALL THESE STUDENTS WERE DOA.

I THEN EXITED THE LIBRARY AND WENT BACK DOWNSTAIRS, WHERE WE CLEAR THE SAME EASTWARD WING. THIS TIME THE DOORS WERE MARKED TO INDICATE TO OTHERS THEY HAD BEEN CHECKED. I MARKED THESE DOORS WITH "CLR/LPD" WITH THIS TIME IN MILITARY HOURS. I REMEMBER MARKING SEVERAL DOORS AT 1600 HOURS.

I THEN WALKED AROUND THE CAFETERIA AND SURROUNDING ROOM, CHECKING FOR VICTIMS THAT MIGHT HAVE GOTTEN OVER. NONE WERE FOUND.

I THEN EXITED THE BUILDING AND ASSISTED IN CHECKING CARS FOR POTENTIAL EXPLOSIVES. A BLACK OR DARK GRAY HONDA WAS FOUND EAST OF THE FRONT DOOR WITH WHAT APPEARED TO BE EXPLOSIVES IN IT. A BLACK BMW WAS LOCATED WEST OF THE DOORS WITH WHAT APPEARED TO BE EXPLOSIVES IN IT. THESE CARS WERE POINTED OUT TO ATF WHO WAS NOW ON SCENE, AND SECURED BY THEM.

I THEN MAINTAINED SECURITY AT THIS SOUTH ENTRANCE UNTIL RELIEVED BY THE FBI.

I THEN RESPONDED TO LAKWOOD ELEMENTARY SCHOOL WHERE WE WERE DE BRIEFED. I THEN RESPONDED TO LPD WHERE WE WERE DE BRIEFED AGAIN.

ON 04/21/99 AT 0830 HOURS I RESPONDED BACK TO COLUMBINE HIGH SCHOOL TO ACT AS AN INVESTIGATOR.

ON 04/21/99 AT 1330 HOURS I WAS ASSIGNED WITH LAKewood DETECTIVE GREGG SLATER, ROLLIE INKEEP, AND SERGEANT DAN MccASKY TO RESPOND TO THE AREA HOSPITALS AND INTERVIEW THE INJURED.

ON 04/21/99 AT 1430 HOURS WE ARRIVED A SWEDISH HOSPITAL. THERE WERE 4 INJURED STUDENTS IN THE HOSPITAL. WE MADE CONTACT WITH THE PUBLIC RELATIONS MANAGER FOR THE HOSPITAL.

ONE OF THE STUDENTS WOULD NOT BE ABLE TO SPEAK DUE TO BREATHING TUBES, TWO OTHER STUDENTS REFUSED TO SPEAK INDICATING THAT TOO MANY POLICE OFFICERS HAVE ALREADY INTERVIEWED THEM, THE FOURTH STUDENT ALSO REFUSED TO SPEAK DUE TO TOO MANY OFFICERS CONTACTING THEM. THE PARENTS OF THE FOURTH STUDENT DID AGREE TO SPEAK TO SERGEANT MccASKY AND DETECTIVE SLATER.

ON 04/21/99 AT 1600 HOURS I ARRIVED AT ST ANTHONYS CENTRAL HOSPITAL TO INTERVIEW INJURED STUDENTS THERE. I RESPONDED TO 4 WEST TO CONTACT STUDENT MAKAI HALL. I WAS GREETED BY DAN AND SUSAN HALL, MAKAI'S PARENTS.

DAN HALL TOLD ME THAT IMMEDIATELY AFTER GETTING TO THE EMERGENCY ROOM, MAKAI WAS INTERVIEWED BY DETECTIVE JAMES NELSON FROM THE ARVADA POLICE DEPARTMENT. DAN HALL TOLD ME THAT DETECTIVE NELSON HAD ALSO SPOKE TO MAKAI FOR A SHORT PERIOD THIS MORNING, AND SAID HE WOULD RETURN AT 1800 TO COMPLETE HIS INTERVIEW.

DAN HALL SAID IT WAS TRAUMATIC FOR MAKAI TO TELL DETECTIVE NELSON WHAT HAPPENED, AND DAN DID NOT WANT MAKAI TO HAVE TO TELL IT ALL OVER AGAIN TO ANOTHER DETECTIVE. DAN ASKED THAT DETECTIVE NELSON BE ABLE TO GATHER ALL THE INFORMATION NECESSARY.

OUT OF RESPECT FOR THE FAMILIES WISHES I DID NOT INTERVIEW MAKAI HALL.

REPORT: 98003688
ASSIGNMENT:

On 04/29/99, at approximately 1130 hrs. Dispatch stated that Jefferson County was requesting help from all surrounding agencies for an shooting at Columbine High School.

INVESTIGATION By Officer O.A.BACA 8402:

Upon my arrival at the scene I contacted a Jefferson County Sgt. and asked him if they needed our SWAT Team to respond. He stated that he did, so I contacted Sgt. Parker and requested he make a call out. I also requested that we have the Negotiators respond to set up a command post posting board.

Officer Wood arrived on scene and we set up the posting center on the side of Mike Wood's police vehicle. I contacted the principal of the Columbine High School, Frank DeAngelis and two School Administrators, Barbara Manuzi and Rick Kaufman. I interviewed the principal Frank DeAngelis who told me that he was confronted in the school by a armed gun man who was carrying a rifle. He stated that he ushered several students into a room and locked the door. He also stated that he and the students were able to escape.

As we gathered names of possible suspects, I requested that the school administrators obtain their dob's, home addresses and other information. This information was posted. I requested that DeAngelis draw a layout of the school so that we could identify where hostages were hiding, which he did.

As students and teachers, who were hiding in the school called their family members we were able to get telephone numbers and call these students and teachers back. We made lists of persons hiding and established where they were hiding. This information was also posted and passed on to the tactical team.

Because of the many telephone calls that were being made we moved the postings to the Arapahoe County SWAT van. The FBI placed three more hard telephone lines into the van so we were able to make calls on these phones rather than cell phones.

Two Lakewood officers and a FBI agent also helped with the posting due to the large amount of hostage information and names.

After the building had been cleared twice, we took down the postings and lists of student and teachers names marked them with our Littleton PD case number. We tried to give this information to Jeffco, but were unable to find a safe place to keep the evidence. I brought the information back to the Littleton Police Department and placed it into evidence. I gave Jeffco my card and told them where the evidence would be. DABACA 8402 042199

Supplement by Sgt.D.M.Parker 7504
I was advised at approximately 1135 that Jefferson County S.O. was responding to a "shots fired" call at Columbine High School. Myself and Cpl. Bohlen responded. At this time Ofc. Baca had arrived and advised that there were multiple suspects and multiple victims and that Jeffco was requesting our SWAT unit. I advised Dispatch to page out SWAT, which was done at 1141. I arrived shortly thereafter. I was advised by Captain Armstrong of Arapahoe County S.O. that our SWAT unit was the closest and that "It's your problem." He offered to provide administrative assistance. Sgt. C.W. Black arrived and I was advised to take charge of the tactical units as they were deployed. I took a position on the east perimeter, where I was later joined by Lt. Williams of Arapahoe S.O., Lt. Brennan of Lakewood PD, and Capt. Dimatteo of Denver PD. I remained at this post until around 1500, coordinating tactical responses by the various units, when I met with Cpl. Batey in the main entrance to be briefed by him, and to assist in coordinating further search efforts.

We were relieved at approximately 1700, and after providing names and ranks to Jefferson County personnel, we cleared the scene and returned to Littleton PD approximately 1900.

We further action by this officer.
Sgt. D.M. Parker 750A 042199

SUPPLEMENTAL BY OFFICER WOOD:

Upon receiving information of a possible shooting incident at Columbine High School, I was assigned to pick-up, and transport all necessary equipment to the scene. Upon arriving at Leawood and S. Pierce St., I immediately began assisting Tactical Officer Mean in preparation for entering the school. Realizing that no Critical Incident Command Post had been set up, I began setting up a temporary Critical Incident Command Post using Littleton Police Unit 239.

Upon setting up a command post, I with Ofc. Baca began to interview a subject who was identified as the school principal, Mr. Duckels. Using a dry chalk board, Mr. Duckels completed a schematic diagram of the school for tactical team entry. I was then informed of a call received via cellular phone of a teacher who was trapped inside the English office with six other teacher's and two students. I then began to talk with the teacher, Eric Frisbee who informed me of all building information and possible locations of victims. I talked with this teacher for approximately 2 hours as I was also assisting in the coordination of critical incident posting, and the set-up of the hostage negotiations telephone. I assisted Ofc. Baca in detailing lists of possible suspect(s), as well as possible witnesses.

After it was determined that Columbine High School was cleared of further suspect(s), I assisted in collection of all Command Post information, labeling same, and giving custody to Ofc. Baca.

No further action by this officer.
W.D. Wood 8202 042199

SUPPLEMENTAL BY CPL. GREG BOHLEN:

4/20/99 I was working patrol duty when LPD received the request for assistance from Jeffco. I responded to the area with Ofc. Baca and Sgt. Parker. I arrived on scene on S. Pierce St. & Leawood, at about 1137 hours. Immediately began to prepare with my SWAT equipment, when I was contacted by a number of officers from Jeffco and Denver PD. A request was made of my assistance and if we had any ballistic shields, as LPD had
some of the first SWAT officers on scene. I offered both our shields. At that time Officer Neal arrived, and he also being on SWAT, we were requested to assist a group of other SWAT officers. We took the shields, and Sgt. Parker approved us assisting the other SWAT officers.

We met up with officers from DPD and Jeffco on Pierce St, just northeast of the school, where they had already prepared an LFD firetruck to provide us cover to move toward the school. I was advised that there were injured students down on the outside of the school, and we were to move to that area and attempt to rescue the students from the area. We moved up to the northeast entrance of the school. From there we could see what appeared to be a student in one of the windows. Officer Neal ended up moving to the doorway we had reached, and assisting those officers. This was at about 1215 hours.

My group then moved along the north side of the school, at which the student saw inside was able to get to a door and run to our position. (He was later sent via other officers to one of the CPs). We worked our way to the very far southwest corner of the school. The firetruck was backed into a position by the doors on that side of the school. At that location I observed three students down on the ground. There were DPD and Jeffco supervisors at this location with us. They decided that officers would move forward to assist these students. This was about 1237 hours. At this time officers moved toward the school, and they announced that they would be providing cover suppressive fire during the rescue. I stayed in a cover position behind the firetruck and covered open and unsecured doorways. I provided no suppressive fire. One student was removed. He had a gunshot wound and was still alive. A Jeffco patrol car was moved to us and I assisted in loading him into the vehicle and he was removed from the scene. A second student in this same position was removed in the same fashion. She was DDA. There was a male student at the bottom of the stairs at this location. Again officers moved to his position, found him also DDA, and left him at that location. I then stayed at that location, covering the school.

A Jeffco SWAT unit arrived, and they moved up to the school, at which time a large number of students were evacuated through our location. A large group of students were also able to escape on their own, running south through the parking lot to a fence line and then running west. Officer were sent to that location to intercept and assist.

After an unknown period of time, we left our positions, at which time I moved back to Pierce St, and met with Sgt. Parker. I was then deployed to the inside of the school from the east side, to met with Col. Ratcliffe and the rest of LPD SWAT. I then worked with our team to continue in the clearance of the area of the school. We were able to clear a large area of the school. Working with DPD, Lakewood, and Jeffco, we located and evacuated a large number of students and adults, all from the Se’ Nath, and Finance area. We marked all rooms that we cleared and secured. All students were searched and lead out of the building and turned over to other Officers. Once these areas were secured, our team was ordered to respond to the main entrance. We stayed at that area until we were instructed to clear the scene.

Nothing further.
REPORT NARRATIVE:

Cpl. Greg Bohlen, 8601, 042198.

SUPPLEMENT BY OFC. NEAL:
On 042299 at 1110 hrs I was working an off duty job at Union Bank.
At approx 1130 hrs I heard through Sgt. Parker that an all SWAT call out
was being made and that all SWAT officers needed to report at S. Pierce
and Bowles Ave.
I immediately responded to LPD and retrieved my patrol car and
directly proceeded to the scene with my SWAT equipment.
I arrived on scene at approx 1152 hrs. I was advised to get
immediately suited up as there were reported injured students outside of
the school that needed rescuing.
Myself and Cpl. Bohlen formed a team consisting of SWAT officers from
Denver P.D. and Jefferson County S.O. At approx 1156 we moved into the
area around the south eastern entrance of the school using a fire truck
for cover.
At this point the teams split up and I was separated from Cpl.
Bohlen. Myself and officers from Denver and Jefferson County entered the
school building. We entered the building at the south east entrance just
south of the main entrance. This was at approx 1200 to 1215 hrs. Myself
and the Denver and Jeffco officers began clearing the immediate area
inside the building where we entered. We cleared this area for approx 45
minutes.
1250 hrs I was able to determine that the rest of my SWAT team had
arrived and was outside. It was determined that I would go and find my
team brief them and then re-enter the building to continue clearing the
inside of the building. At this point no students or teachers had been
found.
Finding my team and briefing them we then entered the building under
the command of Team Leader Cpl. Ketchum. The officers of the team
We then supplemented the Denver team that had also had more team
members arriving.
At this point we had approx 18 officers in the building and we began
a systematic clearing of the building. We moved from the South East
hallways into the finance office, and then moving into the math and
science offices. We were then further supplemented by officers from the
Lakewood SWAT team. As we entered the finance and math and science
offices we encountered approx 88 persons consisting of mainly students
locked in offices throughout the area. These students and teachers were
then escorted out to safe areas. Upon clearing rooms in the building we
would write on the door "cleared, LPD and time cleared." Our search
ended upon reaching the area near the front of the library. This was at
approx 1630 hrs. It was reported that the library had already been
checked by one of the Denver teams operating in the building. All of my
activity occurred on the second level of the building.
Nothing further at this time. C. Neal 8204 042198

SUM BY DETECTIVE BRANCH:

On 042099 at approximately 1125 hours, I was in my office and heard
dispatch advise Sgt. Parker of the shooting incident at Columbine High
School. At approximately 1130 hours, dispatch stated that Jefferson
County was requesting assistance from other agencies. Cdr. Beckman
advised me to be available in the detective car on the street. At
approximately 1135 hours, dispatch advised that Jefferson County was requesting LOE SWAT and I returned to headquarters and changed into my SWAT uniform. At approximately 1205 hours, I arrived at S. Pierce St., and W. Leawood where I continued to deploy my SWAT equipment. At that time, Sgt. Black asked that I remain by the CP and wait for the other team members to arrive. At approximately 1230 hours, I was advised to meet with Sgt. Parker on the east side of Columbine High School. I walked over to Sgt. Parker's location with Ofo. Wren and waited until the remainder of our team arrived.

Col. Ratcliff, Ofo. Eyman and Oof. Sutherland arrived and Oof. Neal met us on the east side of the high school. He advised us of the area that he and the DPO officers had searched. Cpl. Ratcliff instructed the team to go to that area and he entered the door southeast of the main entrance. We met with DPO SWAT and continued searching the building. There were several locked doors that were forced open. Approximately 150 students and teachers were found in several of the rooms that were searched. Myself and other DPO officers searched the students and teachers and escorted them out through the southeast door that we had entered through. We released them to other officers who escorted them to the CP.

We continued our search and Oof. Neal marked the doors that were searched in the building. At approximately 1700 hours, we were told that the entire building had been searched with the help of the other SWAT teams and were instructed to meet at the main entrance of the building to wait for further instruction. At approximately 1730 hours, we were relieved by other SWAT teams. There is nothing further from this officer.

SUPPLEMENT BY OOF WREN:

On 042098 at approximately 1141hrs I received a page for all SWAT officers to respond to the area of Columbine High School to assist Jefferson County Sheriff's Department with a critical incident. I arrived at that location at about 1225hrs and contacted Sgt Black. Sgt Black directed Oof. Brauch and myself to meet with Sgt. Parker on the east side of school. We met with Sgt. Parker and waited for the remainder of the team to arrive. After the arrival of Cpl. Ratcliff, Oof. Eyman, Oof. Sutherland and Col. Dugan, we were met by Oof. Neal, who had previously entered the school with members of other departments. At approximately 1310hrs, Oof. Neal led the team into the building through a door on the southeast side of the school. Once inside, we met with officers from Denver P.D. and Jefferson County. After several minutes, Oof. Sutherland and myself relieved two Denver P.D. officers covering a hallway in the southwest corner of the school on the second floor. Oof. Sutherland and myself stayed at that position for over an hour. We were then reunited with the rest of the team at location. At that time, I assisted with clearing rooms on the second floor in the southeast corner. We found numerous students and teachers hiding or locked in the rooms. Once we found them, I assisted in leading the subjects to a door on the east side, where they were turned over to other officers.

I then went with Lakewood SWAT as they cleared the cafeteria and commons area on the lower floor. The rest of the Littleton team
continued to clear rooms on the second floor. I then met with the team and we were ordered to clear and return to the Police Department. No further action taken. J. Wren 042099

Supplemental Report by Cpl Ratcliff:

On 042099 at about 1250 hours Oft Sutherland and I arrived on scene at Columbine High School. We were directed to an area near the front of the school by Sgt Parker. We transported the majority of LPD's SWAT equipment.

Sgt Parker and Ofc Neal briefed us on the current situation. I was team leader for LPD's entry team. I took Ofcs. Wren, Brauch, Neal, Eyman and Sutherland and we made entry into the school by the door south of the main entrance at about 1315 hours.

We met with a Denver SWAT team and began a search of the main hallway, attendance office, classrooms to the north of the main hall, south of the main hall, and the math and science areas.

We located and evacuated 100 to 150 students and teachers. These persons were taken outside of waiting law enforcement personnel.

We were on our assignment by about 1730 hours. No additional information, Cpl Ratcliff, 042199.

Cpl Ratcliff and I responded to Columbine High School at approximately 1250 hours. We responded to the east side of the school were Sgt Parker, Oft Wren and Oft Brauch were located. Oft Neal then responded to our location from inside of the school and we were briefed by him and Sgt. Parker. Oft Neal then lead us inside the school through an east side door just south of the main entrance. We then were in contact with Denver SWAT. Oft Wren and I were staged on a hallway and two double doors on the second floor located on the south side of the building.

Cpl. Bohlen, Cpl Ratcliff, Oft Neal, Oft Brauch, and Oft Eyman then cleared the hallway just to the north of our location. We then started to clear several locked rooms on the second floor. SUPPLEMENTAL REPORT BY CORPORAL MICHAEL P. KELLEY, 0904:

I received a page to respond at approximately 1155 hours on 11-20-98 to respond to the area of W. Iswood Dr. and S. Pierce St. to assist our SWAT team in reference the Columbine High School shooting incident. Upon arrival, I contacted Negotiations members Saca, Daphne and Wood, Mike who
had set up a temporary posting center on the side of a police vehicle. I contacted Sgt Black also who advised that we needed to set up a command post to assist Jefferson County officials with the gathering and dissemination of information. We duplicated all the information officers Baca and Wood had accumulated on suspects, weapons, and hostages and gave it to the Jefferson County Deputies inside their command post. I was told by the Jefferson County Undersheriff, Ronnie John, that we needed to set up for negotiations in the event of contact with the suspects. We moved all of our posting materials and equipment to the Arapahoe County Sheriff's van and set up operations there. We continued gathering information on suspects, weapons, hostages and their locations, parent lists, phone extensions for students inside the school building, and maps etc. of the school. We passed on this information to Sgt Black and Jefferson County personnel in their command post next to ours. Officers Baca, Wood, and myself talked to students hiding at different locations inside the high school and tried to assure them of our actions to find them and get them out safely. I talked to Matthew Cornell in the Vocal Music Room along with over 50 other students three times during a two hour period until they were rescued by the SWAT Teams. After Mathew's group release, I escorted them to the buses from the command post for transport to Loveland Elementary School. After our SWAT team was relieved, I assisted gathering all of our information up and instructed Officer Baca to put it into an evidence locker at the Littleton Police Department at the request of the Jefferson County Sheriff's Department. Our Negotiations team was assisted in our activities at the command post by Lakewood Sgt Cole, Jerry and Ebeling, Eric. We were also assisted by FBI agents Fuselier, Dwayne and Holtsman, Mark. No additional information at this time, WP KELLEY, 7904, 04-21-99.

SUPPLEMENTAL REPORT BY CORPORAL KELLEY, WP, 7904, 04-21-99: I received the packet containing all the posting documents from Lab Evidence Technician Bruce Adams and opened the documents to retrieve some information. I resealed the packet containing all the documents and placed into evidence locker 2 after use, WP KELLEY, 7904, 04-21-99.

SUPPLEMENTAL REPORT BY OFFICER W.P. EYMAH

On 042099 at approximately 1154 hours, I received a Swat page that advised LPO Swat to respond to the area of Leawood and Pierce, to assist Jefferson County S.O. on a Critical Incident.

I arrived on scene at Columbine High School at approximately 1255 hours. On my arrival I met with members of LPO Swat, and were advised that we were needed in the northeast wing of the school to meet with Denver Swat officers. I was advised that several students had been shot and there were possibly four suspects in the school armed with Shotguns, handguns and possibly a rifle.

Upon entry in to the northeast wing of the school, we entered on the second level just south of the main entrance. At that time we met with officers from DPD Swat and assisted them in clearing the main office area and several adjacent rooms. After assisting DPD it was determined that LPO Swat would break off and clear the southeast wing and the Science rooms. During the search LPO Swat officers entered and cleared numerous rooms in the science hall and southeast wing. During the search we located possibly up to 100 hostages, which were all searched and escorted out of the school.

LPO Swat officers did assist a joint team of DPD Swat and Jefferson County Swat Officers in the rescue of 44 students and faculty from the area known to us as Science B.

"Try was made into rooms whether locked or unlocked. Locked rooms were broken with the glass windows and reaching through the window and opening the door. Each room that was cleared by LPO officers was marked advising the time that the room was cleared and the letters L. P. were written on the door. LPO officers were called out of the scene at approximately 1815 hours, and advised to clear.

No further information.

SUPPLEMENTAL REPORT BY SGT. C.W. BLACK

On 042099/1124 I was advised through radio at my home of a possible hostage incident at Columbine HS. Sgt. Parker and Commander Brandt were in route to the scene. I was advised that JCSO requested our SWAT team. In my position of SWAT Coordinator, I responded from my home.

On my arrival I contacted Commander Brandt and Sgt. Parker. It was an extremely chaotic situation. I was unable to immediately locate an incident commander and began assisting in the arrival and deployment of the various SWAT units; Littleton PD, JeffCO SO, ArapCO SO, Lakewood PD, Denver PD, and FBI. I then contacted Lt. Walcher, JCSO and advised him of my action. He asked me to assist in the deployment and direction of the tactical units. I contacted Sgt. Parker who had set-up a SWAT staging area east of the school on Pierce St. and advised him that Lt. Walcher requested we assist in the tactical deployment of the various responding teams and he needed to coordinate with a tactical supervisor from each unit.

I then directed Otc. Baca and Wood to set up a Tactical Operations Center for the collection and dissemination of information. I then assisted Lt. Walcher in the command post.
At the conclusion of the initial tactical clearance, I responded to the school at the direction of the JCCO to advise the SWAT teams that paramedics would respond to check the condition of the deceased and that additional teams were requested to clear the school again, directing their attention to the numerous explosive devices and location of bodies. They were to remain in position until relieved. The time was approximately 1700. I entered the school to better debrief the responding units as to the situation.

At approximately 1730, at the request of Lt Walcher, I briefed the Commerce City PD, Boulder PD & SO, Thornton PD and Northglenn PD, who then relieved the units on scene. I then contacted Lt Walcher and cleared the scene at approximately 1800.

On 042298 I contacted Det Johnson LPO, to advise him of supplemental reports by LPO officers and of the TOD postings held in evidence. He advised that he would coordinate the exchange with JCCO. END OF SUPPLEMENTAL REPORT

SUPPLEMENTAL BY CPL. SEAN P. DUGAN:

I received a page at 1152 hrs. to respond to the area of N. Leawood and S. Pierce St. to assist J.C.S.O. on a critical incident. Sgt. Tardy and I responded to the scene Code 1 and met up with Sgt. C.W. Black at an approximately 1230 hrs. Sgt. Black directed us to meet up with Sgt. Doug Parker in front of the school, on S. Pierce St., in front of the main entrance. Once there, Cpl. Ratcliff directed me, one of LPO SWAT's two snipers, to assist the teams' approach to the school with rifle cover. I observed an unidentified SWAT officer covering the main entrance to the school from a corner located just south of the entrance. I took up an initial position at six o'clock and approximately 70 yards from the main entrance where I could cover the majority of the east side of the school. To better cover a number of ground level windows located on the northern east side of the school, I moved to a position of 3 o'clock and approximately 40 yards from the main entrance, and positioned myself beneath a parked vehicle. From this position, me and the other unidentified SWAT officer, were able to provide cover for LPO SWAT officers conducting evacuations of students from an eastern exit located due south of the main entrance. I held this position until such time I was instructed to clear the incident. Nothing further to report.

S.P. Dugan/042298.

SUPPLEMENTAL REPORT BY DETECTIVE JACKSON:

On April 20, 1999 at approximately 11:45 hours to respond to Pierce Street and Leawood Street on an assist to Jefferson County S.O. on a critical incident at Columbine High School.

On arrival I assisted with postings and other functions at the command post. As students and teachers were able to exit the building, I assisted with interviewing these subjects and collected written statements from these subjects. These statements were subsequently turned over to Jaffco.
REPORT NARRATIVE:

I spoke to several school personnel who gave possible associate names of David Caravan, who was expelled from the school around October or November of 1998, and Eric Dutro, who is not currently a student at Columbine High School.

One of the involved students, Adam Hancey, did also advise me that John Savage had been involved with the Trenchcoat Mafia Gang in the past, and would know a lot about them, but didn’t seem to be closely associated with them this year, and hadn’t been seen by him wearing a trenchcoat this school year.

I was also advised that the following people were reportedly in the office area of the school at the time of the incident, I did not personally contact any of these victims: Ziki Leyba, Sidney Keating, Jan Feldor, Chris Mikesell, Peter Horvath, Frank O’Angelo, Mona Maddox, Darlene Mesch, and Judy Grecko.

I was advised that I would be assigned to a lab team for the school, and remained on standby until approximately 2200 hours, when I was released for the night.

On April 21, 1999 I responded back to the scene and was on standby for a lab team, but subsequently assigned to conduct follow-up interviews.

I responded to 1833 S. Carr Street to attempt to contact a shooting victim who had subsequently been released from Littleton Porter Hospital, a Patricia Nielsen, phone number blacked out. No one was at home at the residence, and a card was left.

I later received a phone call from Nielsen, who indicated that there are two Patricia Nielsens working for the Jeffco school system, and that the victim was her daughter-in-law. She supplied the phone number for the victim, and this information was turned over to Lakewood P.O. Sergeant Dan McAskey.

I then responded to Littleton Hospital to attempt to locate another victim, the name I had been given was Bob Warder. I was advised at the hospital that this was actually Robert Warnier, who is the step-father of a shooting victim by the name of Brian Anderson. I was advised that Warnier had responded to the school after the incident had begun, and when he discovered that his son had been a shooting victim, he apparently suffered chest pains and was transported by paramedics. Warnier was not interviewed. I later confirmed that Anderson had been diverted to Lutheran Hospital, and was interviewed by another interview team.

On April 22, 1999 I responded to the school and assisted with forwarding e-mail information received by Littleton P.O. to the FBI for further analysis.

SUPPLEMENTAL REPORT BY DETECTIVE JACKSON:
Also contacted on 4/26/99 was Doug Johnson, a biology teacher. Johnson advised the following:
REPORT NARRATIVE:

That he was in science room 93, located at the southwest corner of the building on the upper level.

That he heard noises, then heard shots.

That he saw a male subject, wearing a black t-shirt, 5’11” to 6’0”, this build.

That he assisted in dragging Dave Sanders out of one area and into a more secure area.

That Sanders was bleeding from the mouth.

That the window was shot out in biology room 88.

That other teachers; Theresa Miller, and Rich Long also assisted with moving Sanders.

SUPPLEMENTAL REPORT BY DFC. D.A. ROBERTS
On 042099, at approximately 1145 hours, I responded with Det. Jackson to Columbine High School. I interviewed several students after they were evicted from the school and had two students write out statements which were turned over to the Jefferson County Sheriff's Investigations team.
On 042099, I assisted Det. Jackson with attempting to locate victims of the Columbine incident for interviews.

SUPPLEMENTAL REPORT BY CMHR BRANDT:
On April 20, 1999 at approximately 1140hrs I responded to Columbine High School on a request for assistance by the Jefferson County Sheriff's Office on shots fired and students injured. I arrived at S. Pierce St. and W. Leewood at approximately 1150hrs and contacted Lt. Waicher who was the incident commander for the Jefferson County Sheriff's Office.
I requested that Det. Baca establish a negotiations operations center and meet with Sgt. Black who had just arrived. Sgt. Black and I remained most of this incident with Lt. Waicher at the command post and provided assistance as needed with the command and activities of this incident. I cleared from the scene at approximately 1800hrs and responded to LPD for a debriefing.

On 04/21/93, Officer Vaugh and I were directed to interview Adam Michael Kyler, DOB: 08/24/82, who had been treated and released from Littleton Hospital. We responded to Kyler's home and interviewed him in the presence of his parents. Kyler has a learning disability and was unable to complete a written statement at that time. We did obtain a medical records release signed by Kyler and his mother (attached to interview notes). Kyler reported that:

He went to lunch in the cafeteria about 11:10 hrs.

at about 11:30 hrs., teachers started yelling at the kids to get down

he and Ryan Beshridge, Jill Sikowsky and another girl got under a table

he heard what sounded like a plane flying low and then gunshots

two subjects were running and firing shots

everyone scattered, and he got hit with a chair in the ribs during the commotion

he told his friend, Dusty Hoffschneider, to stay with him, but Dusty pulled the fire alarm and ran out

Adam went into the kitchen

he saw one of the suspects, a W/M, 17-18 years old, 5', unknown
Ryan told Adam he saw more subjects with the suspect; Ryan took off
the lunch ladies in the back of the kitchen told the kids to come
back there with them; two junior girls from Adam's history class
went back there with Adam; 18 people hid there altogether; they were
barricaded in the room for hours; talked on the phone to Denver PD;
SWAT team told them to get in the bathroom and then evacuated them
through the faculty lounge.

Kyle's parents told Officer Vaugh and me that Adam had also told them
that:

when he and the others were barricaded in the kitchen, they
heard shots, reloading and people talking

they heard at least two different kinds of gunshots, possibly
shotguns and pistols.

They were unsure if the gunfire was from the police or the suspects

they heard shots outside the kitchen

they were behind a metal rolling gate, and they heard 1-2 shots hit
it

around Xmas, 1998, 4 kids in black leather trenchcoats threatened Adam,
telling him they were going to kill him if he went to class, and if
he told anyone about the threats, they would shoot him

Adam knew they were called the Trench Coat Mafia

the Trench Coat Mafia kids hung out near the post-grad center 8th-7th
hour

Adam told his parents and the following school personnel about the
threats: Sid Heating, Brad Butts, Rudy Martin, Mrs. Park, Peter
Horvath, Kevin Land.

On 042399, I received a phone call from Det. Christian Contos of the
Englewood Police Department, who relayed information about a suspicious
incident that occurred at the King Soopers, 5050 S. Federal Blvd. Det.
Contos told me that:

on 042299, 0800-1800 hrs., a subject in a black trenchcoat entered
the store and purchased five 2-liter pop bottles

the subject was 18-25 years old, very tall and thin, with long brown
wavy hair, wearing sunglasses.
REPORT NARRATIVE:

the subject engaged in conversation with the checker about the Columbia HS incident.

Graffiti was later found in the school's restroom that said, "I bombed [middle school in Littleton] is next."

I communicated this information to Littleton Police Commander Brandt. Beckman and Christensen, who stated they had already received this report from Eaglewood Rd. No further action was taken by this officer. Bryan Lynch/9911/04/23/99.

SUPPLEMENT REPORT BY DETECTIVE JOAN SCHROEDER;

On April 20, 1999, I heard the call come in from Jefferson Co. S.O. that there had been shots fired at Columbine High School. I responded to the school. I interviewed the following students as they came out of the school.

He stated that he was in the cafeteria when Eric Harris and Dylan Klebold came in and were shooting guns. He ran to the restroom in the teachers lounge. He crawled up in the ceiling from the restroom to try and escape. As he did this he found that it was a false ceiling and he fell through to the floor.

As he fell he found himself in front of the two. The one with the long black hair pointed the rifle at his head. He then ran out the door. Kastle wrote out a statement which was given to Jeffco Detective at the scene to help prepare a warrant.

She stated that she was in the cafeteria when the two boys entered. She gave the following description of the two suspects:

A custodian was telling the kids to get down.
REPORT NARRATIVE:

The two suspects were yelling as they shot the rifles. They were talking about how far this was and they were laughing as they did all of this.

The two suspects started a fire in the commons and they ran out. The fire looked different because it was orange in color.

She left with two other students, Kenny Dooley and Brittany Wooden. Campbell wrote out a statement which is attached.

That he suspected that the ones in the school were probably Eric, who also goes by the name "proacker" and They are presently the two main people in the group.

That he was in the library with two friends, Micay Nakia and Pat Ireland. They were sitting at a corner table by the window.

That Jenny Doyle ran out with them when the two suspects were in the hallway.

We spoke with:
Jennifer Doyle  DOD 011992

who stated the following:

That she is a junior at Columbine High School.

That she was in the library when this happened and ended up under the table with three guns: Cory (unk last name), unk name, little with blonde hair, and Austin UBanks.

That Cory had been shot. She was afraid he was dead because she was laying on top of him and she noticed "blood leaking out."

That a kid came in the library who had been shot in the stomach. We told us to get under the table.

That she saw bullets bouncing off the wall.

That she heard gunshots and bombs and they kept getting louder.

That she saw one of the bombs throw out the window.

That they told them to come out from under the table.

They then left the library and came back.
REPORT NARRATIVE:

They asked someone if his name was John but John was gone.

She saw the black boots and thought it was the police. One of the
suspects then pointed his gun at her and shot four times. She was struck
in the right hand.

That she was sitting with her knees tucked up and her head was in her
arms.

That she thought that the one who shot her was Eric Harris. She
didn't know his name prior to this incident but saw his picture on T.V.
She said she was watching Channel 4, and it was the picture on the right
side of the screen. He was wearing black boots and black pants and he was
a dirty blonde.

That she heard one of them say to the other one, "Do you know what
else I've been wanting to do? Stab someone."

That Cory came up from the back of the library and got under the
table. That she had been sitting at the front table. She had a black backpack
and calculator in it.

That Austin said (after the shooting), "We got to get out of here."
Ten to fifteen of them then ran to the back door and out of the school.
They then ducked behind a police car.

That shots continued the entire time. She said they heard bombs going
off. The cops said they were coming from the kitchen area.

That both suspects were carrying 'long guns'.

That she saw only two people doing the shooting and throwing the
bombs.

Later on 042191 I was asked to assist the forensic team #5 inside the
school. I continued to work with this team through 042691. All paperwork
for team #5 was turned over to Barbara with Pueblo Division of CBI.

Detective Joan Schroer, 042399.

SUPPLEMENT BY DETECTIVE STEVE JOHNSON:

On April 20, 1999, I was at the Littleton Police Department and at around
11:15 I heard Littleton Police Dispatcher Kathi CHRIST air a report that
there had been a shooting at Columbine High School and that there were
'students down.' I then started to respond to the area of W. Bowles Ave.
and S. Pierce. St. where I heard a command post was being established.
When I arrived there, Jefferson County Sheriff's personnel requested that
interviews be conducted of students found in the school. I interviewed the three below students who offered following statements:

Kyle Nicholas BRAMLETT
DOB: 12-25-82
5214 S. Estes Ct., Littleton CO (303) 795-0485

That he was outside sitting by the door that led to the lunchroom with James STEWART, Mark (last name unknown), and Will BECK and he heard "all these pops." BRAMLETT offered that there were a lot of pops that he assumed were gun shots. He further said "maybe 20." That he then saw a kid come up and start screaming, "get it off of me" which BRAMLETT said he did not know what the kid was referring to but thought it must of been the gunshot wounds. BRAMLETT said he did not know what happened to that student but went into the school after that and said that the shots continued. BRAMLETT also offered that he then saw a 'guy wearing a black trench coat came out of the school shooting." BRAMLETT offered that he did not know the student but he had long black hair. BRAMLETT offered that he does not know the student but he has long black hair and "everyone calls him Dylan." BRAMLETT said that he saw a male student lying on the ground that the subject had shot. BRAMLETT said that he then went to a storage room and hid with 17 other students until SWAT got them out.

I interviewed:

Nicole Renee REILLY
DOB: 05-26-83
5700 W. Saginaw Dr., Littleton, CO (303) 978-2924

REILLY offered that she was in the Biology room with 80 to 100 other kids and 10 other kids came in. REILLY said that she heard "noise" that she described as "guzz, bangs and shots." That she knew a teacher had been shot and she saw two kids help him. That she waited for SWAT and they ran from the school.

I then interviewed:

Tyray CHEWNEATH
DOB: 11-13-82
8065 W. Prentice Ave., Littleton, CO (303) unknown

CHEWNEATH offered that he was in his biology class and was taking a test when he heard gunshots and then the door was shut. That he knew there was a teacher by the name of Mr. Saunders who was shot and injured in the next room. CHEWNEATH offered that he heard "lots of gunshots" and helped push desks up against the door until they were rescued.

I then assisted with minor tasks amongst the other investigators. I led in that numerous "bombs" were still in the school and it would be some time before investigators were allowed in the school.

On April 21, 1999, I returned to the school to assist in the investigation. As part of this, I went with Littleton Police Detective Joan SCHRADER to Littleton Hospital and interviewed Danny STEPLETON and
Jenifer GOYLE. I learned that both of these victims were in the library and had sustained gunshot wounds. The content of those interviews is contained within Detective SCHROEDER's supplement. I was able to secure a serious bodily injury form for STEPLETON that was signed by Dr. JOY who offered that STEPLETON had treated him for 1 to 2 gunshot wounds to the left femur.

I was then assigned to the interior of the school to assist in crime scene documentation. I was assigned to team 85 and assisted that team also on April 22, 1999.

I have been assigned numerous other intel reports that will be investigated, documented, and forwarded to the Jefferson County Sheriff's Department.

Steve JOHNSON D401 04/22/99

SUPPLEMENT DETECTIVE R. HOFFMAN:

On 4-20-99 at approximately 11:25 A.M., Littleton Police Dispatch aired that there had been shots fired at Columbine High School and that Jefferson County Sheriff was requesting assistance. I responded to the area of the high school where I met with Jefferson County Authorities. They requested available investigators to interview students and teachers as they are brought from the school.

I interviewed the following people as they exited the building:

Tyler Rex Jackman 5/10/81---He was walking to parking lot with friends. That he saw a person known to him as Dylan carrying a sawed off shotgun. That it looked as if he had shot a male student near the back patio area. That he also observed Dylan light a pipe bomb, throw it and watch it explode. Jackman also saw another male wearing a dark trench coat, unknown who. He heard several gunshots, and as he looked around saw a person shot in the leg.

- Joshua Eugene Wixson 1/23/82---He did not observe anyone that was shooting. Did see that the front door had been shot out.

- Amanda Nicole Stair 7/18/82---She was in the library at the time. Girl came in and stated that a guy had a gun. She got underneath a desk to hide. Two males (unknown names) wearing trenchcoats came in, one called the other "Red." The males yelled to the students that were hiding "Get up now or we will blow your heads off." Amanda stayed under the table. The two males started firing several shots inside the library. She heard 5 or 6 people had been shot.

- Nathan Hatfield 5/25/81---He was in the cafeteria when the shooting started. He ran into the kitchen to get away. He saw one student shot in the leg outside the cafeteria near the "hill", which is near the South parking lot. The shooter was described as tall, wearing a trench coat, red hair, wearing a baseball style cap.
REPORT NARRATIVE:

Sarah Ashley Slater 6/27/82--She was setting in the cafeteria at approximately 11:15 a.m. when she heard gunshots. She hid under a table for a few minutes then ran to the kitchen to hide with others. Describe shooter as wearing a trench coat, shoulder length bleoede wavy hair, black baseball type cap being worn backwards.

Jennifer Jeanita Tindall 6/25/82--She was out in the student parking lot at approximately 11:20 a.m. when she heard several gunshots. She saw two male subjects near a stairwell. She described subjects as the first one being tall/skinny, wearing a white shirt, brown hair, possibly tied back. He was carrying what she believed to be an automatic rifle, the kind she has seen on television. The second subject had on a long black trench coat, black hair tied back, heavy set. Did not see him carrying any guns. She left the area immediately.

Suzanne Lee Meyer 1/16/81--She was in 5th hour science class. She stayed in the room the entire time. She heard several gunshots but did not see anything.

Lisa Lee Baccerra 7/2/82--She was in the choir room. Heard several shots but never saw anything.

Craig Dennis Place 5/16/81--He is a PE teacher. He was just coming back from lunch and was on the Northside of the building. He saw several kids running from the school. He heard several rapid gunshots but did not see who was shooting. He stated he does know of the trenchcoat gang. They dress in black and wear combat boots. They are described as being anti-establishment.

Carole Jean Veld 10/7/80--She is a library technician. A note by the name of Lois Keen was with her. They heard a "popping noise" so they went to check on it. They saw two males with rifles, long and black rifles. One of the males had a long tubular pipe, jamming stuff down. Both then hid in a soundproof room.

All of the above documents and statements will be forwarded to Jefferson County authorities.

I did also assist with their intel group at the school on Wednesday and Thursday, April 21st and 22nd, 1988.

INFORMATION:

On 04/21/99 while working at Heritage High School I was contacted by Brett Elson who is a student at Heritage. He told me that he had information regarding the shooting that occurred at Columbine High School on 04/20/99. Elson went on to tell me that he was friends with Horst Rossmueller, and Joshua Barnes who were students at Heritage last year.

Elson told me that he was with Rossmueller and Barnes when they went to visit the two suspects in the shooting at Columbine High School. He told me that he was with Rossmueller and Barnes one day when Rossmueller supplied them with information regarding military strategy, close quarters combat and information regarding weapons. He told me that he was in a car with Barnes when they would drive to the suspects house after to school.

I asked Elson what his involvement was with these subjects and he told me that he did not believe in what their beliefs were, and that the only reason he went to their house was because he was friends with Barnes. While speaking with Elson I saw that he was wearing black combat type boots, black jeans and admitted to owning and wearing a "black duster". When asked why he did not wear the duster anymore he replied, "because it's not cold".

Another student who was named as possibly being involved with this type of behavior was Charles Collier. He is currently a student at Heritage and up to a month ago dressed in a black trench coat, black fatigues, and black combat boots. The last time I saw Collier was on 04/20/99 and at that time he was wearing blue jeans and a t-shirt. I have not been able to speak with Collier yet, and both he and Elson still attend Heritage, Rossmueller and Barnes graduated last year.

THIS INFORMATION IS FOR INTELLIGENCE PURPOSE ONLY, SHOULD NOT BE RELEASED. DJ Scott 98004 04/21/99.

INFORMATION REPORT BY OFFICER K.L. WINKLER:

On 04/21/99, at approx. 1500 hours, Officer T. Cooper and I responded to 815 W. Fremont Ave. in order to attempt to contact Joshua Barnes due to his name being mentioned as an associate to the two suspects in the Columbine High School shooting on 04/20/99.

Upon our arrival, we came into contact with Joshua's grandmother, Elizabeth (Betty) Roy. Betty advised that Joshua was over at a friend's house and had been there all day, and his mother, Cynthia Roy and stepfather, Robert Roy were at work. Betty then stated that she would call Cynthia and Robert in order to have them respond to their residence in order for us to speak with them. While she was looking for the number, Joshua did call the residence. Betty spoke with him over the phone in our presence and asked him to respond to his residence in order to speak with Officer Cooper and me.

At approximately 1617 hours, Cynthia and her husband, Robert, responded to the residence. Joshua arrived shortly thereafter with Horst Rossmueller and his mother, Roberta Rossmueller. Joshua then stated that he had been at Horst's house and that was where he came from. Roberta advised that the reason she had come to our location with Horst was because she felt if we needed to speak with her and her son, she would be there then for that. We then told her that we would not need to speak with her because Arapahoe County Sheriff's Office had already been at her
residence earlier and we did not need to duplicate the matter. They then left the residence.

Officer Cooper then advised Joshua that he was not a suspect in the incident at Columbine, but since his name was mentioned as an associate to the "Trench Coat Mafia," we needed to speak with him. Joshua agreed to speak with us and stated that he thought that we would be responding since his picture was in the paper. He stated that he did not attend Columbine, but knew some of the individuals that were also in the group photo that had appeared in the Denver Post. Joshua stated that he knew Chris Morris through Brian Sargent and also knew Nicole (unknown last name), Joe (unknown last name), Krista Harnley, Kristin (unknown last name), Pauline (unknown last name), Chuck (later identified as Charles Collier). He stated he knew Brian Sargent from middle school when he was living in Lakewood off of Hampden Ave, and he and Sargent attended the same school.

Joshua advised that he used to hang out with this group of individuals until the end of the summer of 1998 and knew them since July of 1997. He stated that they had referred to themselves as the "Trench Coat Mafia," but he believed that it was only as a means to "scare" the other students. He stated that they did not brag about being in this type of gang or utilize it to their advantage. Joshua stated that he had graduated from Heritage High School and felt like he was left out of the group because of that.

Joshua stated that he was good friends with Krista Harnley, but had a falling out with her and had not talked to her since December of 1996. He stated that they had conflicting schedules and that was why they had not talked with one another often. He stated that he had just recently gotten on speaking terms with her. Joshua was then asked if he had talked with Krista since the shooting incident. He stated that he had and that it was on the evening of the shooting at approximately 2000 hours. I then asked him how she acted. He stated that he asked her how she was doing, and she stated, "Okay, fine," I asked him if she seemed depressed or distraught over the shooting incident or if she was crying, and he stated no. He also stated that Krista told him that she knew who committed the shooting; that it was Eric Harris and two other males that he could not remember the names of. She then told him that Eric had told her "he was planning for tomorrow." Joshua advised that this statement was made on Monday, 04/1999.

Joshua then advised that he had not talked to any of the other individuals in the group; that he just recently began speaking with Krista again.

Joshua was then asked if he had used the Internet on Horst's computer that is at his residence. He stated that he has not. He stated that there is a computer at work, Software, Etc., in Southglenn Mall, but they are not allowed to touch it. He advised that he has been working there for six to seven months.

Joshua was asked who in particular is involved in the group that have referred to themselves as the "Trench Coat Mafia." He stated that it was "me, Brian, Chris, Chuck, and Corey." I asked him if he was also in their group. He stated, "I didn't like to associate myself with them." I then asked them what type of apparel they wore. He stated that Joe wore a black long duster and Chris would sometimes wear black BOU (military-type pants) and camouflage apparel. He stated that those were the only two individuals that he saw dressing in that capacity. It
should be noted that Chris is Chris Morris, Chuck is Charles Collier and Corey is possibly Corey Schaeffer.

Joshua advised that he has known Horst since middle school and hangs out with him on a regular basis. He was then asked who he hangs around nowadays since he does not associate with any of the other individuals he had previously mentioned. He advised that the group he hangs around with consists of Horst Rossmeuller, Josh Coffman, Matt Borden, and Dan Clem.

Josh was asked if he knew Jim Bowers. He stated that he had only heard of him through word of mouth when Bowers got into trouble for pulling a knife on a girl in the Southglenn Shopping Mall.

Josh was asked if he had ever been involved in making any bombs; he stated that he was not. He was then asked if Krista or anyone else made mention of the same, and he stated that he never heard anything mentioned regarding guns or bombs amongst any of the other individuals.

Joshua, as well as his parents, then gave Officer Cooper and me permission to search his room and the room attached to his bedroom which were both located downstairs in the basement. Josh did point out an area which he used to build model airplanes and similar models. There were no other items found that could be associated with the shooting. Nothing else was found in the residence that was cause for any alarm, or gave rise to any suspicion of illegal activity.

Before Officer Cooper and I left the residence, we spoke with Joshua’s parents, Cynthia and Robert, without Joshua being present. Upon asking them, they both advised that they have been concerned with Joshua not coming home until the early morning hours of the day and sometimes they would not see him at home for five to six days. They both stated that they did not believe that he was doing any type of narcotics. Robert advised that they had told Joshua if he had not straightened up his act, they were going to have him move out in August of this year.

Robert did add that Josh also frequented his friend’s house, Joshua Coffman, across the street from his residence at 566 W. Farnum Ave.

Officer Cooper asked both parents what Joshua’s demeanor was on most occasions. Robert advised that Joshua is very good-natured and does not seem to get upset easily. Robert then added that they had been pleased with the fact that Joshua had kept a job for the past six to seven months due to the fact that he had been working at Home Depot prior to his current job and had not lasted long.

It should be noted that we also searched the garage with the permission of Cynthia and Robert; meeting with negative results.

Nothing further regarding Joshua Barnes.

Officer Cooper and I then responded to Daniel Krifs residence located at 2889 W. Davies Ave. We responded to that location due to the fact that Daniel had been involved in a Second Degree Arson and a Possession of an Incendiary Device on 05/4/98. After Officer Cooper and I met with Daniel in the presence of his parents, Roba and David Krifs, it was believed that he was not involved nor did he have any additional information regarding the case. Daniel denied any knowledge of any of the persons named by Barnes or any of the individuals named in the media as being involved at the incident at Columbine High School. We also
searched his room with his permission as well as his parents; leading to negative results.

Nothing further regarding Kribs.

K.L. Winkler, 9801, 042199.

SUPPLEMENTAL REPORT BY OFFICER M.P. EYMAN

On 04-21-99 at approximately 1830 hours, I met with Donelle Stitt at her father’s residence, Richard Stitt, at 3600 S. Pearl St. 80204. LPSD had been notified by a Powell Middle School counselor, who advised that Stitt was discussing the Columbine High School incident at the school stating that she knew the parties involved.

On speaking with Stitt she advised me that she discussed the incident at school on this date, but that it was during her newspaper class. Stitt advised that she had a friend at Columbine High School and that in January of 1999 she met two of the alleged Trench Coat Mafia members in the smoking area behind Columbine High School.

During the conversation Stitt stated that her ex-boyfriend, Cory Schaffer, had shown her a copy of the anarchist cook book that he owned. Stitt advised that she did make reference to the availability on the Internet of how to make bombs. Stitt advised that she has no personal knowledge or information on any of the subjects known as the Trench Coat Mafia.

SUPPLEMENTAL REPORT BY OFFICER COOPER

After speaking with Barnes, Officer Winkler and I responded to Powell Middle School. Cnfr. Beckman had advised us that a counselor there had contacted him regarding a student that was heard making statements in class regarding knowledge of the incident at Columbine High School.

After arriving at the school, we were unable to contact the counselor. However, we did contact the Assistant Principal, Linda Arnold. She stated they had a student by the name of Donelle Stitt. During one of her classes today, she reportedly made statements that she had knowledge of the shooting incident prior to it happening. I asked if they felt Donelle was being honest or just trying to get attention. Arnold stated that she felt the Donelle could have some information, based on the fact that she seemed to be involved in a crowd that by appearances fit the profile of the Trench Coat Mafia. She stated that she had seen older, high-school age kids dressed in camouflage type outfits come onto Powell School grounds and pick-up Donelle. Donelle’s personal information was obtained and given to Officer Eyman to follow up on. See Eyman’s supplemental report above.

Officer Winkler and I then responded to 605 W. Fremont Dr. in an effort to contact Josh Coffman, as his name was provided to us by Josh Barnes’ parents. Josh was not home, but we contacted his mother, Debra Coffman. She stated she was not aware of Josh being involved in any illegal activity. She stated she did not think Josh had any interest in making bombs or weapons. She felt she monitored him closely and was aware of his circle of friends and his activities. She stated that he spent most of his time at home, when he was not at school. She stated that Josh was into role-playing games and computer games. She stated she
monitored the games, and sometimes played the games herself. She did not think Josh or any of his friends were involved in illegal activity, or had any involvement in, or knowledge of, the incident at Columbine High School. Ms. Coffman gave us verbal permission to search Josh's room. Officer Winkler and I did so. The room was located in the basement of the house. A search of the room did not reveal anything that would indicate Josh was involved in illegal activity. Nothing was found that was cause for concern, or further follow-up.

Officer Winkler and I attempted to contact Brett Elson at 255 W. Parkview. There was nobody home at that address.

Officer Eyman and I then responded to 2408 W. Euclid Ave., in an effort to contact Cory Schaeffer. We were unable to contact anybody at that residence.

We then went to 1511 E. Mineral Pl., in an effort to contact Daniel Clem. He was not home, but we did contact his parents, Patrick and Marilyn Clem. They gave verbal consent to search Daniel's room, and Officer Eyman did so, in the presence of Mr. Clem. Nothing of interest was found in the residence. I advised the Clem's as to why we were there, and advised them their son was not a suspect in the shootings, but that his name came up during the investigation. Mr. Clem stated he was familiar with Horst Rosemuller, Josh Barnes, and Josh Coffman. He stated they have come to the residence in the past to play role-playing games with Daniel. Mr. Clem also stated that he had no knowledge of Trench Coat Mafia or his friends being involved with the "Trench Coat Mafia". He said that he felt his son was not involved in any kind of para-military type activity, and had never expressed an interest in guns, bombs, or weapons. He could provide no further information on his son or his friends.

I then responded back to SS6 W. Fremont Dr. to contact Joshua Coffman. The results are as follows:

That he knew Kristin Thibeault, Chris Morris, Chris' girlfriend known only as Nicole, and Brian Sargent.

That he did not know the suspects involved in the Columbine shooting incident, and had never met them.

That he had heard Chris Morris speak of the Trench Coat Mafia about 3 months ago, and Nicole was present during that conversation.

That he saw Krista Hannley about 2 weeks ago.

That he had been friends with Brian Sargent, but had stopped talking with him about 4 months ago, around the same time Josh Barnes was involved in a dispute with Sargent over a computer disc.

That he had not heard anything regarding the incident at Columbine High School prior to hearing about it on the news.

That he considered Josh Barnes his closest friend, and has known him since Barnes moved into the neighborhood about 6 years ago.

That he had known Daniel Clem since last summer, and considered him to be a close friend.
That he did not think Barnes & Clem had any knowledge of the incident at Columbine prior to it happening.

That if Barnes had prior knowledge of the incident, he was sure Barnes would have told him about it.

That none of the people in his circle of friends, (Rossmueller, Clem, Barnes) had any involvement in the incident at Columbine.

That he did not have access to the internet, as he deleted the program from his computer after his mother found out he was in a chat room.

That he was not involved in making bombs, or other weapons, and was not in the possession of any bombs or weapons.

After speaking with Josh Coffman, I returned to 1511 E. Mineral Pl. and contacted Daniel Clem. The results of the interview are as follows:

That he dated Kristen Theibault in the past and provided a phone number for her of 873-4214.

That he met Chris Morris once in the presence of other friends, but did not talk to him.

That he has seen Nicole, Chris Morris' girlfriend, on several occasions. He did not know Nicole's last name.

That he did not know Brian Sargent.

That he did not know Donelle Stitt.

That he did not know Cory Schaeffer.

That he had known Horst Rossmueller for about 2-3 years, after meeting him at Arapahoe High School. They were both students there at that time.

That he has regular contact with Josh Barnes and Josh Coffman. He played role-playing games with them.

That he has heard Josh talk about guns, but that it was in the context of their role-playing games.

That 1 or 2 months ago, Horst Rossmueller disappeared for 2 days, and nobody knew where he was.

That he was acquainted with James Bowers, but that Bowers moved to Minnesota almost a year ago.

That he did not know the suspects in the Columbine shooting, and had never met them. In fact, had never heard of them until the news regarding the incident.

That he knew nothing of the Trench Coat Mafia.
That he had no prior knowledge of the Columbine incident.

That he did not think that Barnes, Coffman, or Rossmeuller, had any involvement in, or prior knowledge of, the Columbine incident.

Note:

After conducting the above interviews, I was a Littleton Hospital on a detail. While there, the television was on the break room. It was tuned to "Inside Edition" news program. Horst Rossmeuller was appearing on the program, talking about the incident, and the trenchcoat mafia.

Nothing further to report.

SUPPLEMENTAL REPORT BY OFFICER EDSON:

On 04/29 at about 1200 hours, I received a call from OIC, Allen with Englewood Police about information on a graffiti report he was taking at 5050 S. Federal. OIC Allen told me that he received a call from the manager at King Soopers who was reporting graffiti in the bathroom. In the men's restroom in one of the stalls there was graffiti which stated "I bombed that High School, and Goddard is Next". At this time there are no suspects or leads. OIC Allen took an info report with pictures on EPD CR# 99-5647. I advised OIC, Romero of the incident who made the staff at Goddard aware. Nothing further at this time.

SUPPLEMENTAL REPORT BY OFFICER COOPER:

On 04/29, at about 1530 hours, I received a telephone voice mail from Lori Kinney, the assistant principal at Powell Middle School. She stated that she had another complaint regarding Donelle Stitt, from a "concerned parent." Kinney advised that she was told that Donelle was heard speaking about the fact that she knew the suspects in the Columbine incident, and that she was planning to do the same at Powell. I attempted to contact Kinney by phone and was unsuccessful. I then responded to 2428 W. Euclid Ave. In an attempt to contact Corey Shaffer, the person identified as Donelle Stitt's boyfriend. I did contact him, however, he identified himself as Corey Luman. His mother's married name is Linda Shaffer. Linda's husband is not Corey's father. Corey made the following statements in response to my questions:

That he moved into Littleton about 2 months ago from the Morrison area.

That he did not associate with anybody from Columbine High School.

That he did not know the suspects in the Columbine shooting incident.

That he had no knowledge of, and never heard of, the "Trench Coat Mafia" until hearing the term on the news.
That he had no prior knowledge, or knew of anybody with prior knowledge, of the Columbine incident.

That he used to date Donelle Stitt, but had not seen or spoken to her in about a month.

That Donelle Stitt had never spoken to him about the "Trench Coat Mafia" or any of the people involved in the incident as reported by the news.

That he used to have a copy of the "Anarchist’s Cookbook" downloaded onto his computer from the Internet, but no longer had it. In fact the family had gotten rid of the computer.

That he did not know, nor had he ever heard of, Josh Barnes, Daniel Kribs, Josh Coffman, Daniel Clem, Kristan Theibault, Brian Sargent, Chris Morris, Matt Borden, James Bowers, or Krista Hannley.

Prior to contacting Luman, I spoke with Officer Kloppenberg. He gave me the name of Joe Valentine as a person who had information that was related to the Columbine shooting. After speaking with Luman, I contacted Valentine at his business. Valentine owns The Computer House, at 6229 S. Santa Fe Dr. He provided the following information:

That the father of Dylan Klebold, one of the suspects in the Columbine shooting, was a regular customer at the Computer House.

That in March of 1998, Klebold's father asked Valentine if he was hiring employees and asked if he would be interested in hiring his son, Dylan. Valentine advised him to have Dylan contact him for a reference on the job.

That in March of 1998, Dylan Klebold called Valentine on the phone regarding the job and faxed him a resume. Valentine provided me with the information faxed to me by Klebold. It was subsequently given to Commander Beckman of LPD.

That he, in fact, hired Klebold, but Klebold never showed up for work, as he had gotten another job at a different computer store (Computer Renaissance near Southwest Plaza).

That Klebold was subsequently fired from that job, and called Valentine to see if the job at The Computer House was still open.

That Valentine advised Klebold that he had filled the position and was no longer interested in having Klebold work for him.

There was a phone number on the top of the faxed document, which is presumably the number that the document was faxed from. That number is [REDACTED]. Also handwritten on the front page of the faxed resume was the number 718 9591. Valentine stated he wrote that number on the paper himself, but did not know who the number belonged to or what it was in reference to.

Both numbers were checked through Cole's directory. The first number, [REDACTED], listed back to the Klebold address at [REDACTED]. The other number listed to a Nick Forsee, at 14094 W. Amhurst Ave. in
Lakewood. I called Valentine and asked him if that name or address meant anything to him. He stated it did not, but would research it and provide the LPO with any information that he might come up with.

After speaking with Valentine, I then returned to Josh Barnes’ residence and spoke with him again. I recontacted him in order to reconfirm some statements he made the previous day. Brett Elson had contacted Officer Scott, and advised him that he personally had accompanied Barnes and Rossmueller to the Columbine shooting suspect’s residence more than once, last year. I asked Barnes about this again. He stated that he had never met the suspects of the Columbine shooting. He stated that he and several other friends had tried to find the individuals house that lived in Deer Creek Canyon (Klebold) at one time, but they were unable to find it. He reiterated the fact that he had no knowledge of the Columbine incident, other than what he had heard on the news, and had never met the suspects. He also stated that Chris Morris was a student at Columbine High School, and was about Barnes’ age or slightly younger. (Cmdr. Beckman had been advised of a Chris Morris that was a 6th grade student at Powell Middle School. It appears that the Chris Morris that has been named as an associate of the subjects of this report is not the same Chris Morris that Cmdr. Beckman had received information on.)

End of supplemental report. TL COOPER 9701 042299.
